I would like to express my support of Application TM-2024-002, RM-2024-026 and TR-2024-040. The property is located at 10621 Madera Drive in Cupertino. I am the next door neighbor of this lot. My address is 10641 Madera. I have spoken with the owner, Ben Engelman, several time about this project and I am very impressed with his plans. I believe this project will be an asset not only to our neighborhood but also to our community at large. I urge you to support this application.
