3. Revisit 5G. Including but not limited to, recording, responding to complaints, transparency on existing applications

Council review existing 5G policy and make alterations as they deem fit. Suggested areas to explore: 1) Spacing between small cell sites and 2) study the City's ability to mandate multi-tenant small cells. Staff is to record all resident concerns on a Resident Concern Record. Staff is to add a street image for the 5G cell location and fill out the questionnaire 2. Staff is to meet with the cell providers monthly or as needed based on additional resident concerns and give the cell provider the sum total of Resident Concern Records and then report back to City Council. Staff is to continue to update the City Managers spreadsheet of updated status for nearby cities 5G cells in residential areas.
