March 28, 2022

#### Subject

Update on the City Work Program Fiscal Year 2021-2022 item for the Fine Arts Commission

#### Recommended Action

Receive an update on the City Work Program Fiscal Year 2021-2022 item for the Fine Arts Commission and provide feedback on community survey.

#### Background

This report intends to provide an update on the status of the FY 2021-22 City Work Program related to the Fine Arts Commission.

#### *FY 2021-22 City Work Program*

The City continues to update the public dashboard for the FY 21-22 City Work Program to provide progress updates for the City Council, Commission, and public. The dashboard is updated quarterly and hosted on the City's website. There is currently one work program item related to the Fine Arts Commission. Consider New Commissions and Committees with the objective of Fine Arts Name Change: Change the name of the Fine Arts Commission to broaden the reach of potential interest and align with commission goals.

At the January 24 Fine Arts Commission Meeting, Art Commission names were reviewed for 13 Santa Clara County cities. The commission put forward two options for the name change. Arts and Culture Commission as first choice and Culture, Visual, and Performing Arts Commission as the second.

#### Discussion

Staff put together a draft survey proposal for community outreach using the names commission put forward at their January 24 meeting. The draft survey proposal includes the work program objective, the Fine Arts Commission current powers and functions from the Cupertino Municipal Code, and four potential questions.
