CITY COUNCIL STAFF REPORT

Meeting: October 7, 2025

Subject

Review of future agenda items requested by City Councilmembers ("TBD List")

Recommended Action

Review the TBD list as of October and accept the staff recommendations for all 16 items

Reasons for Recommendation and Options

As required per the Council's adopted Procedures Manual, the City Manager provides a quarterly report to Council regarding the status of future agenda items. These are items that at least two Councilmembers have requested to be added to a future City Council agenda.

Background

On July 1, staff presented a list of 18 items for Council consideration. Council accepted all staff recommendations (described in Attachment A). Since July, nine of the 18 items have been completed and have been removed from the list with Council adding six items to the future agenda items list for consideration.

The updated TBD list as of October is included as Attachment B with staff recommendations for all 16 items. A majority vote of the City Council can either agendaize an item for discussion at a future date or remove an item from the list, as outlined in the Council Procedures Manual.
