Summary: Current law establishes the State Department of Education in state government, and vests the department with specified powers and duties relating to the state's public school system. This bill would authorize local educational agencies to report to the department their pupils' estimated needs for computing devices and internet connectivity adequate for at-home learning. The bill would require the department, in consultation with the Public Utilities Commission, to compile that information and to annually post that compiled information on the department's internet website.

1st House				2nd House							

Summary: Current law establishes the Governor's Office of Business and Economic Development, known as "GO-Biz," within the Governor's office to serve the Governor as the lead entity for economic strategy and the marketing of California on issues relating to business development, private sector investment, and economic growth. This bill would require the office to coordinate with other relevant state and local agencies and national organizations to explore ways to facilitate streamlining of local land use approvals and construction permit processes for projects related to broadband infrastructure deployment and connectivity.
