ELECTED OFFICIALS COMPENSATION PROGRAM
Policy No. 3

TRAINING AND CONFERENCES

I. POLICY

It is City of Cupertino policy that members of the City Council and the Council's commissions and committees, shall be reimbursed or receive a direct advance according to the schedules, terms and conditions as set forth herein for the expenses authorized below. This policy is established in accordance with California Government Code Sections 53232.2 and 53232.3.

III. AUTHORIZED EXPENSES

The City Council and their commission and committee members can receive reimbursements or advances toward actual and necessary expenses incurred by participating in the following activities or events:

1. Communicating with representatives of regional, state and national government on City adopted policy positions;
 2. Attending seminars, conferences, and training to improve skill and information levels;
 3. Participating in regional, state and national organizations whose activities affect the City's interests (such as the League of California Cities);
 4. Attending International Conferences, budget limited to \$2,500 per fiscal year, provided there is a benefit to the City;
 5. Attending City events;
-
1. Attending functions of other local civic or community organizations where there is a clear nexus between the event and the member's attendance as an official representative of the City. Purely social events, service club dues and meals, and political or charitable contributions or events would be excluded. For purposes of this section, reimbursable fundraisers and events include, but are not limited to, Cupertino Union School District, Fremont Union High School District, Foothill-De Anza Community College District, Silicon Valley Leadership Group, Cupertino American Cancer Society (ACS) Relay for Life and Cupertino Chamber of Commerce activities.

The City will not reimburse or advance payment toward expenses including, but not limited to:

1. The personal portion of any trip;
2. Family expenses, including those of a partner when accompanying Council or commission member on City related business, as well as child or pet related expenses.
3. Entertainment expenses, including theatre, shows, movies, sporting events, golf, spa treatments, etc.
4. Meals and entertainment paid on behalf of third parties outside of the City;
5. Gifts of any kind for any purpose;
6. Alcoholic beverages;
7. Non-mileage personal automobile expenses including repairs, insurance, gasoline, traffic citations; and
8. Personal losses incurred while on City business.

IV. BUDGETARY LIMITATIONS

Reimbursement or advancement of expenses shall not exceed budgetary limitations. Changes in appropriations will be done through the budget process.

V. REIMBURSEMENT AND ADVANCE SCHEDULE

A. Intent

This schedule is written with the intent that the City Councilmember, commissioner, or committee member will make every effort to find the lowest possible cost to the City for traveling on City business. For example, if paying for parking at the airport is less expensive than paying for a taxi or airport shuttle, then officials should drive their car and park at the airport; or if renting a car is lower than taking taxis at the out-of-town location, then a car should be rented. Air reservations should be booked in advance to obtain discounted fares. The following procedures apply whether the expense is being paid through a reimbursement or a direct advance.

B. Local Area

The local area is defined to be within Santa Clara and San Mateo Counties and within a 40 mile distance from Cupertino when traveling to Alameda County.

C. Registration

The City will pay the registration fee for authorized attendance at a convention, conference, seminar or meeting.

D. Transportation

The City will pay transportation costs on the basis of the lowest cost intent stated in paragraph A. Eligible transportation costs include airfare (with coach fare being the maximum), van or taxi service to and from the attendee's home and airport, destination or airport parking charges, taxi and shuttle services at the out-of-town location, trains, tolls, or rental cars. Use of a personal automobile for City business shall be reimbursed or advanced at the rate per mile in effect for such use, except in no case shall it exceed air coach fare if the vehicle is being used for getting to the destination. Government or group rates offered by a provider of transportation must be used when available.

E. Lodging

Hotel or lodging expenses of the City official resulting from the authorized event or activity defined in this policy will be reimbursed or advanced if the lodging and event occur outside the local area. Not covered will be lodging expenses related to person(s) who are accompanying the City member, but who themselves are not on City business. In this instance, for example, the difference between single and multiple occupancy rates for a room will not be reimbursed.

Where the lodging is in connection with a conference or other organized educational activity, City-paid lodging costs shall not exceed the maximum group rate published by the conference or activity sponsor, providing that lodging at the group rate is available at the time of booking. If the group rate at the conference hotel is not available, then the non-conference lodging policy described in the next paragraph should be followed to find another comparable hotel.

Where lodging is necessary for an activity that is not related to a conference or other organized educational activity, reimbursement or advances shall be limited to the actual cost of the room at a group or government rate. In the event that a group or government

rate is not available, lodging rates that do not exceed the median price for lodging for that area and time period listed on travel websites like www.hotels.com, www.expedia.com or an equivalent service shall be eligible for reimbursement or advancement.

F. Meals

1. No Conference

The actual cost of a meal can be claimed, within a standard of reasonableness, but receipts must be kept and submitted for the expense incurred.

2. As Part of a Conference

When City officials are attending a conference or other organized educational activity, they shall be reimbursed or advanced for meals not provided by the activity, on an actual cost basis. The actual cost rate shall follow the rules described in the meals with no conference paragraph.

G. Other Expenses

Payments toward or reimbursement of other expenses related to authorized activities or events shall be limited to the actual costs consistent with the application of reasonable standards. Receipts must be kept and submitted for all expenses.

VI. DIRECT CASH ADVANCE POLICY

From time to time, it may be necessary for a City official to request a direct cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to the City Manager or Department Head no less than seven days prior to the need for the advance with the following information: 1) Purpose of the expenditure; 2) The anticipated amount of the expenditure (for example, hotel rates, meal costs, and transportation expenses); and 3) The dates of the expenditure. An accounting of expenses and return of any unused advance must be reported to the City within 30 calendar days of the official's return on the expense report described in Section VII.

VII. EXPENSE REPORT REQUIREMENTS

All expense reimbursement requests or final accounting of advances received must be approved by the City Manager or Department Head, on forms determined by the Finance Department, within 30 calendar days of an expense incurred, accompanied by a business purpose for all expenditures and a receipt for each item other than mileage. The report will be a public record subject to disclosure under the Public Records Act.

VIII. REPORTS TO CITY COUNCIL OR COMMISSIONS

At the next regular City Council or commission meeting, each councilmember or commissioner shall briefly report on publicly noticed meetings attended at City expense. If multiple members attended the meeting, a joint report may be made.

IX. POLICY VIOLATIONS

Violations of this policy including falsifying expense reports may result in any or all of the following: (1) loss of reimbursement privileges, (2) demand for restitution to the City, (3) civil penalties of up to \$1,000 per day and three times the value of the resources used, and 4) prosecution for misuse of public resources.
