Chad Mosley
City Engineer
City of Cupertino
10300 Torre Avenue
Cupertino, CA 95014

Subject: Proposal for Street Vacation of 5' from the Current 10' Public Right of Way Dedication
Address: 21831 Hermosa Ave, Cupertino, CA 95014 | APN 357-16-107

To Mr. Mosley,

The Cupertino Sanitary District (District) has reviewed the proposal for the street vacation of 5' from the current 10' public right of way dedication at the subject address. The proposed area for street vacation has no sanitary sewer easements. The subject property is connected to the District's sanitary sewer system; therefore, when the proposed construction work begins, a Cupertino Sanitary District Permit will be required. As of right now, the District has no objections to the proposed 5' street vacation.

If you have any questions, please do not hesitate to contact me or Ben Porter at 408-253-7863.

Regards,

Esteban Delgadillo
Senior Sanitary Engineer
