CITY COUNCIL STAFF REPORT

Date: July 7, 2026

Subject

Review of future agenda items requested by City Councilmembers ("TBD List").

Recommended Action

Review the TBD list and accept the staff recommendations for all items.

Reasons for Recommendation and Available Options

As required per the City Council's adopted Procedures Manual, the City Manager provides a quarterly report to Council regarding the status of future agenda items. These are items that the Mayor or at least two Councilmembers have requested to be added to a future City Council agenda.

Background

On March 17, Council reviewed the TBD list and accepted the staff recommendations for all 29 items. Since that meeting, 14 items have been removed while seven items have been added to the TBD list for consideration.

The updated TBD list is included as Attachment A with staff recommendations for all 22 items. A majority vote of the City Council can either agendaize an item for discussion at a future date or remove an item from the list, as outlined in the Council Procedures Manual.
