

## CITY COUNCIL ACTIVITY REPORT

Meeting: June 4, 2024

Reporting Councilmember: **Councilmember Kitty Moore**

Report Activity Dates: **4/30/24 to 5/27/24**

Event Date, Title, and Description:

**April 30, 2024.** Attended Water Quality 101 webinar hosted by SJW regarding water quality testing.

**May 5, 2024.** 1:1 meeting with City Manager.

**May 5, 2024.** Westport Senior BMR ribbon cutting. What a thrill to see the inside of the Westport Senior Below Market Rate housing after first seeing the project while serving on the Planning Commission.

**May 6, 2024.** City Council meeting.

**May 11, 2024.** Fremont Union High School District Centennial Celebration at Fremont High School. Attended the celebration and especially enjoyed seeing the yearbook photographs over the years and hearing the history of this excellent school district.

**May 11, 2024.** AAPI Multicultural Festival at Cupertino's Civic Plaza. Enjoyed the dancing, martial arts, visual arts and community spirit at this year's event.

**May 13, 2024.** 1:1 with City Manager.

**May 14, 2024.** City Council meeting.

**May 17, 2024.** Budget Prep session with staff.

**May 20, 2024.** 1:1 with City Manager.

**May 21, 2024.** City Council meeting.

**May 22, 2024.** CalCities Peninsula Division luncheon. Topics: \$20 Billion regional bond and the Taxpayer Protection Act.

**May 22, 2024..** Santa Clara Library District Joint Powers (SCCLD JPA) Authority Finance Committee meeting<sup>1</sup>. After approving the consent calendar and recommending the Board adopt the Fiscal Year (FY) 2024-2025 Budget, the committee then reviewed the Independent Auditor's Report for the fiscal year ending June 30, 2023 and after asking a series of clarifying questions, the committee recommended the Board accept the report.

**May 23, 2024.** Attended the Boy Scouts of America annual breakfast to learn about the future of Scouting America. Our region will be introducing troops specifically for scouts with special needs expanding on the inclusivity of scouting to let all share in their programs.

---

<sup>1</sup> SCCLD JPA agenda for the May 22, 2024 meeting is here:

**May 26, 2024.** De Anza College Environmental Studies program update. This quarter's course will complete the Advanced Environmental Studies Certificate. The class is especially useful because it is on Phase I Environmental Site Assessments which are generally found in all CEQA studies within the Hazards and Hazardous materials section. This is the 12<sup>th</sup> Environmental Studies course in the Environmental Resource Management and Pollution Prevention program to date. The program covers Environmental Law, Climate Change, General and Specific Plans, CEQA and EIRs, Industrial Ecology, ISO 14001 and
