Subject: Please ACCEPT/APPROVE the Apple contribution for bike and pedestrian infrastructure improvements

Dear City Council Members,

I am writing in STRONG support of Cupertino's acceptance of the \$9.8M offered by Apple Computer to help fund bike and pedestrian infrastructure improvements.

PLEASE, PLEASE, PLEASE **approve and accept** these funds to help make our city safer and easier to bike and walk. As a parent of children in the area and a frequent walker/jogger around town, these improvements earmarked for the money's use, as well as the freeing up of funds for other important projects, would make such a positive impact on me and my family.

Thank you for your time and support.
