Policy No. 3

TRAINING AND CONFERENCES

I. POLICY

It is City of Cupertino policy that eligible persons under this Compensation Program shall be reimbursed or receive advances in accordance with the schedules, terms and conditions as set forth herein for attendance at conferences, meetings and training sessions as defined below for each. It is the intent of this policy to encourage the continuing education and awareness of said persons in the technical improvements and innovations in their fields of endeavor as they apply to the City or to implement a City approved strategy for attracting and retaining businesses in the City. One means of implementing this encouragement is through a formal reimbursement and advance schedule for authorized attendance at such conferences, meetings and training sessions.

II DEFINITIONS

A. Conferences

A conference is an annual meeting of a work related organization the membership of which may be held in the name of the City or the individual.

B. Local Area

The local area is defined to be within Santa Clara and San Mateo Counties and within a 40-mile distance from Cupertino when traveling to Alameda County.

C. Meetings

A "meeting" shall mean a convention, conference, seminar, workshop, meal, or like assembly having to do with municipal government operations. An employee serving on a panel for interviews of job applicants shall not come under this definition.

D. Training Session

A training session is any type of seminar or workshop the attendance at which is for the purpose of obtaining information of a work related nature to benefit the City's operations or to enhance the attendee's capabilities in the discharge of assigned duties and responsibilities.

III REIMBURSEMENT AND ADVANCE PAYMENT SCHEDULE

A. Intent

This schedule is written with the intent that the employee will make every effort to find the lowest possible cost to the City for traveling on City business. For example, if paying for parking at the airport is less expensive than paying for a taxi or airport shuttle, then the employee should drive their car and park at the airport; or if renting a car is lower than taking taxis at the out-of-town location, then a car should be rented; or air reservations should be booked in advance to obtain discounted fares. The following procedures apply whether the expense is being paid through a reimbursement or a direct advance.

B. Registration

Registration fees for authorized attendance at a meeting or training session will be paid by the City.

C. Transportation

The City will pay transportation costs on the basis of the lowest cost intent stated in paragraph A. Eligible transportation costs include airfare (with coach fare being the maximum), van or taxi service to and from the attendee's home and airport, destination or airport parking charges, taxi and shuttle services at the out-of-town location, trains, tolls, or rental cars. Use of a personal automobile for City business shall be reimbursed or advanced at the rate per mile in effect for such use, except in no case shall it exceed air coach fare if the vehicle is being used for getting to the destination. Government or group rates offered by a provider of transportation must be used when available.

Reimbursement or advances for use of a personal automobile on City business within a local area will not be made so as to supplement that already being paid to those persons receiving a monthly mileage allowance.

D. Lodging

Hotel or lodging expenses of the employee resulting from the authorized event or activity defined in this policy will be reimbursed or advanced if the lodging and event occurs outside of the local area. Not covered will be lodging expenses related to person(s) who are accompanying the City member, but who themselves are not on City business. In this instance, for example, the difference between single and multiple occupancy rates for a room will not be reimbursed.

Where the lodging is in connection with a conference or other organized educational activity, City-paid lodging costs shall not exceed the maximum group rate published by the conference or activity sponsor, providing that lodging at the group rate is available at the time of booking. If the group rate at the conference hotel is not available, then the non-conference lodging policy described in the next paragraph should be followed to find another comparable hotel.

Where lodging is necessary for an activity that is not related to a conference or other organized educational activity, reimbursement or advances shall be limited to the actual cost of the room at a group or government rate. In the event that a group or government rate is not available, lodging rates that do not exceed the median price for lodging for that area and time period listed on travel websites like www.hotels.com, www.expedia.com or an equivalent service shall be eligible for reimbursement or advancement.

E. Meals

1. With No Conference

Payments toward or reimbursement of meals related to authorized activities or events shall be at the Internal Revenue Service per diem rate for meals and incidental expenses for a given location, as stated by IRS publications 463 and 1542 and by the U.S. General Services Administration. The per diem shall be split among meals as reasonably desired and reduced accordingly for less than full travel days. If per diem is claimed, no receipts are necessary. Alternatively, the actual cost of a meal can be claimed, within a standard of reasonableness, but receipts must be kept and submitted for the expense incurred.

2. As Part of a Conference

When City personnel are attending a conference or other organized educational activity, they shall be reimbursed or advanced for meals not provided by the activity, on a per diem or actual cost basis. The per diem and actual cost rate shall follow the rules described in the meals with no conference paragraph.

F. Other Expenses

Payments toward or reimbursement of expenses at such functions shall be limited to the actual costs consistent with the application of reasonable standards.

Other reasonable expenses related to business purposes shall be paid consistent with this policy.

No payments shall be made unless, where available, receipts are kept and submitted for all expenses incurred. When receipts are not available, qualifying expenditures shall be reimbursed upon signing of an affidavit of expenditure.

No payment shall be made for any expenses incurred which are of a personal nature or not within a standard of reasonableness for the situation as may be defined by the Finance Department.

G. Non-Reimbursable Expenses

The City will **not** reimburse or advance payment toward expenses including, but not limited to:

1. The personal portion of any trip;

2. Political or charitable contributions or events;
3. Family expenses, including those of a partner when accompanying the employee on City-related business, as well as child or pet-related expenses;
4. Entertainment expenses, including theatre, shows, movies, sporting events, golf, spa treatments, etc.
5. Gifts of any kind for any purpose;
6. Service club meals;
7. Alcoholic beverages;
8. Non-mileage personal automobile expenses including repairs, insurance, gasoline, traffic citations; and
9. Personal losses incurred while on City business.

IV ATTENDANCE

A. Budgetary Limitations

Reimbursement or advances for expenses relative to conferences, meeting or training sessions shall not exceed the budgetary limitations.

V. FUNDING

A. Appropriation Policy

It shall be the policy of the City to appropriate funds subject to availability of resources.

B. Training Sessions

Payments toward or reimbursement of expenses incurred in attendance at training sessions, will be appropriated annually through the budget process.

VI. DIRECT CASH ADVANCE POLICY

From time to time, it may be necessary for a City employee to request a direct cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to their supervisor no less than seven days prior to the need for the advance with the following information: 1) Purpose of the expenditure; 2) The anticipated amount of the expenditure (for example, hotel rates, meal costs, and transportation expenses); and 3) The dates of the expenditure. An accounting of expenses and return of any unused advance must be reported to the City within 30 calendar days of the employee's return on the expense report described in Section VII.

VII. EXPENSE REPORT REQUIREMENTS

All expense reimbursement requests or final accounting of advances received from the City Manager must be approved by the City Attorney , on forms determined by the Administrative Services Department, within 30 calendar days of an expense incurred, and accompanied by a business purpose for all expenditures and a receipt for each non- per diem item. All expense reimbursement requests or final accounting of advances received from the City Attorney must be approved by the City Manager, on forms determined by the Administrative Services Department, within 30 calendar days of an expense incurred, and accompanied by a business purpose for all expenditures and a receipt for each non- per diem item.

**AUTOMOBILE ALLOWANCES AND
MILEAGE REIMBURSEMENTS**

It is City of Cupertino policy that under this Compensation Program the City Manager shall be compensated fairly for the use of personal automotive vehicles on City business. In many instances the use of personal vehicles is a condition of employment due to the absence of sufficient City owned vehicles for general transportation purposes. It is not intended, however, that such a condition of employment should work an undue hardship. For this reason, the following policies shall apply for mileage reimbursements.

Those persons who occasionally are required to use their personal automobiles for City business shall be reimbursed for such use at an appropriate rate established by the City Council. Submission of reimbursement requests must be approved by the City Council.

The City Manager shall be paid a monthly automobile allowance of \$500.
The City Attorney shall be paid a monthly automobile allowance of \$350.

Employees receiving automobile allowance shall be eligible for reimbursement for travel that exceeds two hundred miles round trip.
