

**ORDINANCE NO. 26-**

**AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CUPERTINO  
AMENDING CITY CODE TO AMEND SECTIONS 9.17.100, 9.17.110, 9.17.130, AND  
9.17.140 TO REGULATE SINGLE-USE CARRYOUT BAGS**

---

The City Council of the City of Cupertino finds that:

1. WHEREAS, on October 1, 2013, the City of Cupertino adopted an ordinance to regulate the provisions of retail establishments providing single-use carryout bags, currently codified as Chapter 9.17 of the City Code; and
2. WHEREAS, this ordinance amendment continues to regulate the distribution and sale of single-use carryout bags by retail establishments in Cupertino; and
3. WHEREAS, the State adopted SB 1053 in September 2024, which commencing January 1, 2026, would revise and recast provisions to prohibit the distribution of single-use plastic carryout bags by retail establishments

**NOW, THEREFORE, THE CITY COUNCIL OF THE OF CITY OF CUPERTINO  
DOES ORDAIN AS FOLLOWS:**

**SECTION 1. Adoption.**

The Cupertino Municipal Code is hereby amended as set forth in Attachment A.

**SECTION 2: Severability and Continuity.**

The City Council declares that each section, sub-section, paragraph, sub-paragraph, sentence, clause and phrase of this ordinance is severable and independent of every other section, sub-section, paragraph, sub-paragraph, sentence, clause and phrase of this ordinance. If any section, sub-section, paragraph, sub-paragraph, sentence, clause or phrase of this ordinance is held invalid, or its application to any person or circumstance, be determined by a court of competent jurisdiction to be unlawful, unenforceable or otherwise void, the City Council declares that it would have adopted the remaining provisions of this ordinance irrespective of such portion, and further declares its express intent that the remaining portions of this ordinance should remain in effect after the invalid portion has been eliminated. To the extent the provisions of this Ordinance are substantially the same as previous provisions of the Cupertino

Municipal Code, these provisions shall be construed as continuations of those provisions and not as an amendment to or readoption of the earlier provisions.

**SECTION 3:** California Environmental Quality Act.

This Ordinance is not a project under the requirements of the California Environmental Quality Act, together with related State CEQA Guidelines (collectively, "CEQA") because it has no potential for resulting in physical change in the environment. In the event that this Ordinance is found to be a project under CEQA, it is subject to the CEQA exemption contained in CEQA Guidelines section 15061(b)(3) because it can be seen with certainty to have no possibility that the action approved may have a significant effect on the environment. CEQA applies only to actions which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. In this circumstance, the proposed action to regulate the use of single-use carryout bags by a retail establishment would have no or only a de minimis effect on the environment because reducing the use of disposable plastic single-use carryout bags would not have the potential for causing a significant effect on the environment. The foregoing determination is made by the City Council in its independent judgment.

**SECTION 4:** Effective Date.

This Ordinance shall take effect thirty days after adoption as provided by Government Code Section 36937.

**SECTION 5:** Publication.

The City Clerk shall give notice of adoption of this Ordinance as required by law. Pursuant to Government Code Section 36933, a summary of this Ordinance may be prepared by the City Clerk and published in lieu of publication of the entire text. The City Clerk shall post in the office of the City Clerk a certified copy of the full text of the Ordinance listing the names of the City Council members voting for and against the ordinance.

**Attachment A –AN ORDINANCE OF THE CITY OF CUPERTINO TO REGULATE  
THE PROVISION OF SINGLE - USE CARRYOUT BAGS**

**CHAPTER 9.17: REGULATION OF SINGLE-USE CARRYOUT BAGS**

9.17.100 Findings and Purpose.

The City Council finds and determines that:

- (a) The use of single-use carryout bags by consumers at retail establishments is detrimental to the environment, public health and welfare.
- (b) The manufacture and distribution of single-use carryout bags requires utilization of natural resources and results in the generation of greenhouse gas emissions.
- (c) Single-use carryout bags contribute to environmental problems, including litter in storm drains, creeks, the bay and the ocean.
- (d) Single-use carryout bags provided by retail establishments impose unseen costs on consumers, local governments, the state and taxpayers and constitute a public nuisance.
- (e) The City of Cupertino seeks to reduce the proliferation of plastic pollution by eliminating the existing provision of law that allows plastic film carryout bags to be distributed as reusable bags.

In compliance with Public Resources Code Section 442279 et seq. the City Council finds and declares that the distribution of single-use plastic carryout bags should be banned.
