

Stevens Creek Complete Streets & Transit Corridor Resolution

May 7, 2019

CUPERTINO

A stylized blue sunburst or starburst graphic is located on the left side of the slide, partially overlapping the dark blue background. It consists of several curved lines radiating from a central point, creating a sense of motion or energy.

Stevens Creek Complete Streets & Transit Corridor Resolution

1. Background
2. Resolution Overview
3. Next Steps

Stevens Creek Corridor Background

- Working Group formed in August 2017
- Group discusses coordination efforts along Stevens Creek Corridor
- Discussions include bike/ped streetscape improvements & long range transit planning

Resolution Overview

- Proposed resolution in support of multi-jurisdictional work
- Resolution is ceremonial & is in support of collaborative transit planning

Resolution Overview

Proposed Resolution:

- Specifically for High Capacity Transit Service
- Only for grade-separated service
- Travel from Cupertino to Diridon Station
- Long term Implementation

Next Steps

- Continue participation in Working Group
- Stevens Creek Blvd & Airport Connector RFI
- Return to Council with updates
