TITLE	GOALS	Relevant Projects
		Storm Drain Outfalls Repairs
GOAL INF-1 Citywide Infrastructure	Ensure that the city's infrastructure is enhanced and maintained to support existing development and growth in a fiscally responsible manner. The City seeks to coordinate its municipal services with those of other service providers in order to build and maintain infrastructure that fully serves the current and future needs of the Cupertino community.	x
Policy INF-1.1	Infrastructure Planning: Upgrade and enhance the City's infrastructure through the City's Capital Improvement Program (CIP) and requirements for development.	x
Strategy INF-1.1.1	Capital Improvement Program: Ensure that CIP projects reflect the goals and policies identified in Community Vision 2040.	x
Strategy INF-1.1.2	Design Capacity. Ensure that public infrastructure is designed to meet planned needs and to avoid the need for future upsizing. Maintain a balance between meeting future growth needs and over-sizing of infrastructure to avoid fiscal impacts or impacts to other goals.	x
GOAL INF-4 Stormwater	Implement best practices in stormwater management to reduce demand on the stormwater network, reduce soil erosion, and reduce pollution into reservoirs and the Bay	x
Policy INF-4.1	Planning and Management: Create plans and operational policies to develop and maintain an effective and efficient stormwater system.	x
Strategy INF-4.1.2	Infrastructure. Develop a Capital Improvement Program (CIP) for the City's storm drain infrastructure that meets the current and future needs of the community.	x
