

Crime Trends Summary

At the January 12, 2017 Public Safety Commission meeting, the commission requested that staff provide more information regarding crime in Cupertino and nearby areas.

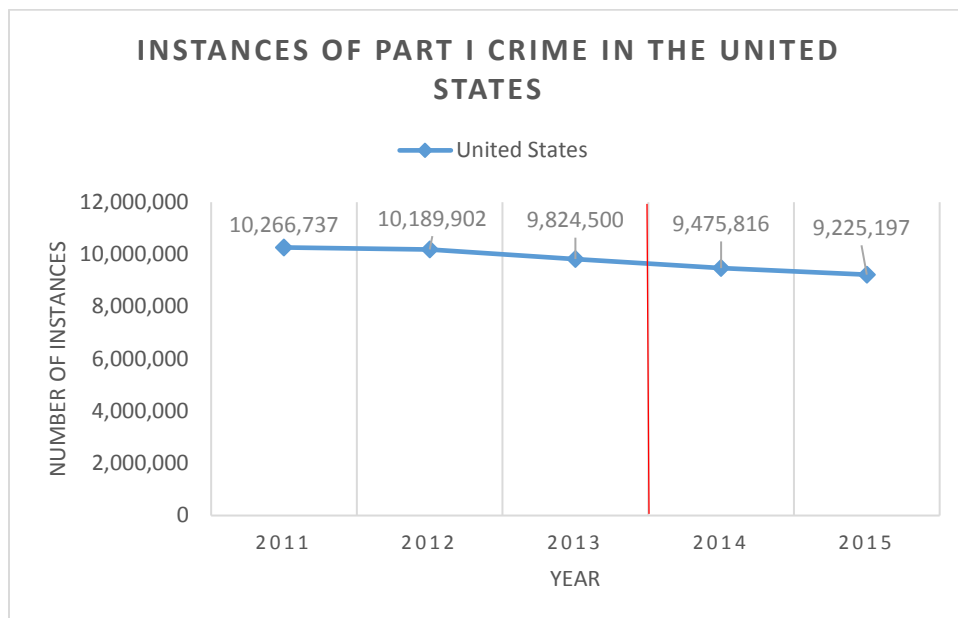

Crime Trends Overview

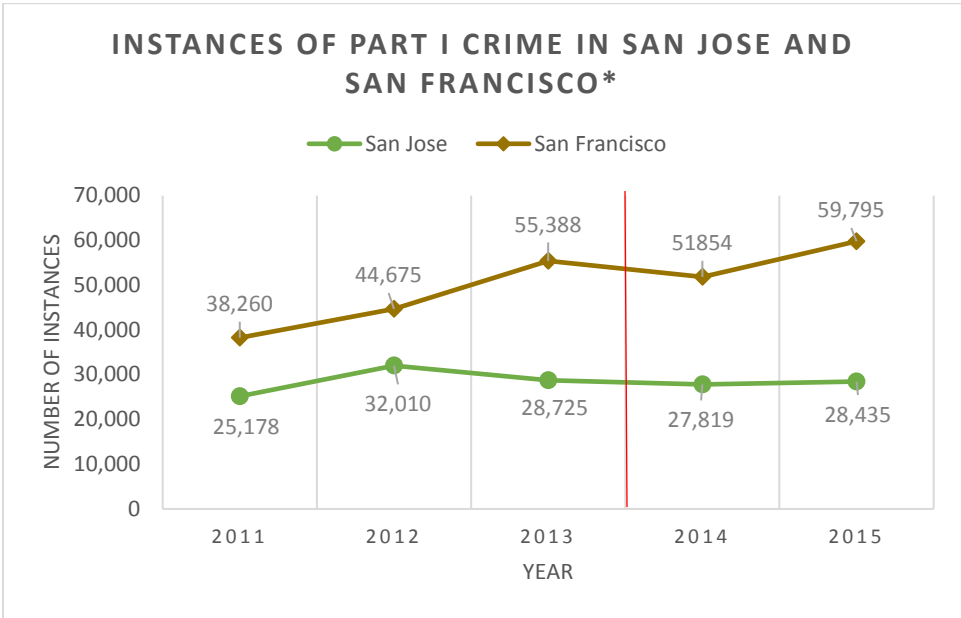

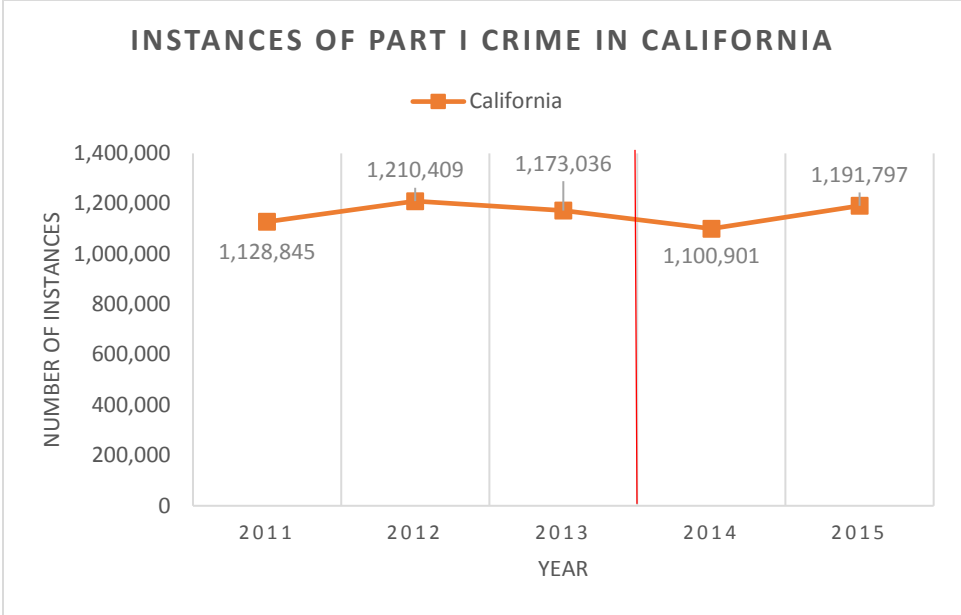

Staff consulted the FBI's [Uniform Crime Reporting \(UCR\) Program](#) to pull data regarding overall crime, property crime, and firearm related crimes (where data was available) from 2011 to 2015. Complete 2016 data had not yet been published. In addition, data was gathered from the Santa Clara County Sheriff's Office to inform numbers specific to Cupertino, Los Altos Hills, and Saratoga. San Francisco specific data was taken from the San Francisco Police Department's [CompStat report](#). In all charts the **vertical red line** indicates roughly when Sunnyvale and San Francisco's gun ordinances took effect in December 2013.

Overall Crime

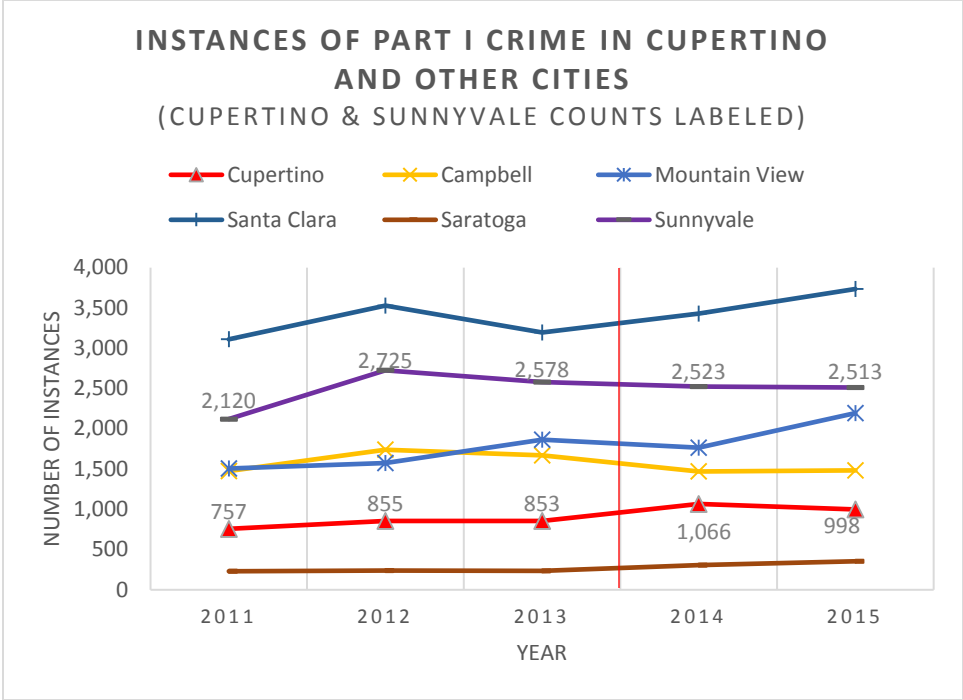

The following charts include all Part 1 crime except arson as reported by the FBI. Part 1 crime consists of the following types of incidents:

- Violent Crime
 - Murder, rape, robbery, and aggravated assault
- Property Crime
 - Burglary, larceny-theft, motor vehicle theft, and arson (which is excluded here)

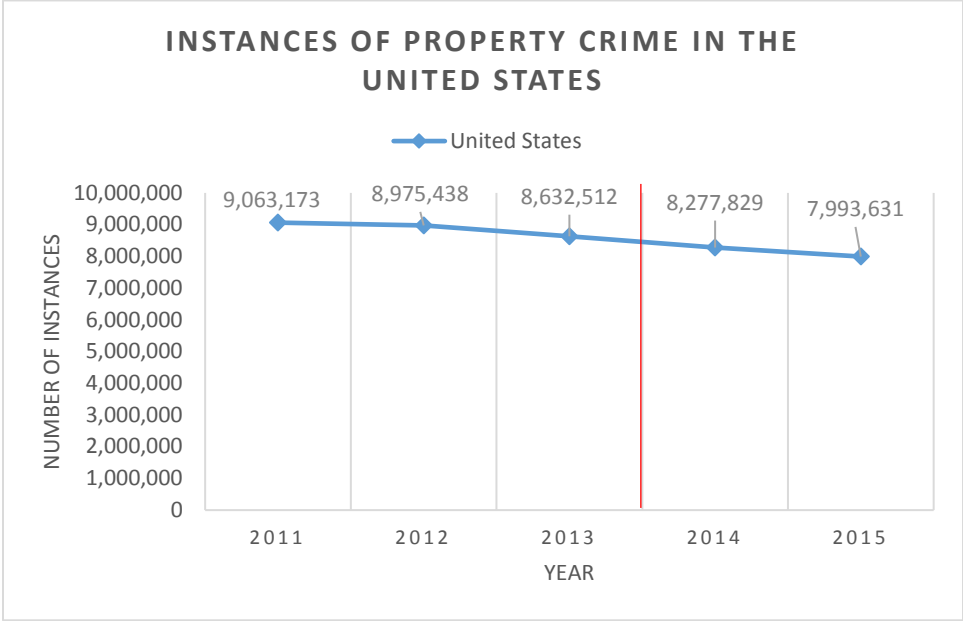

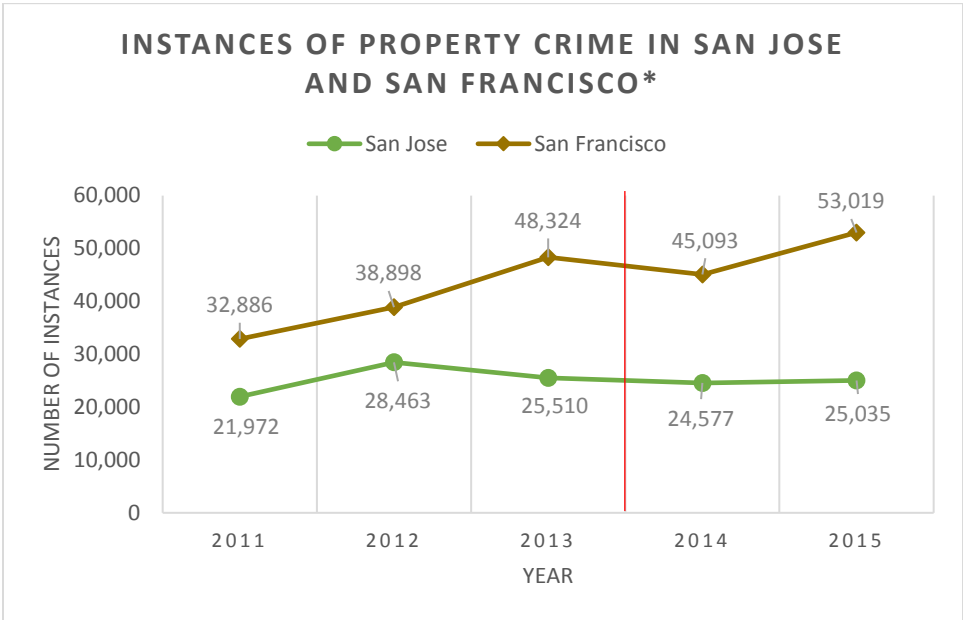

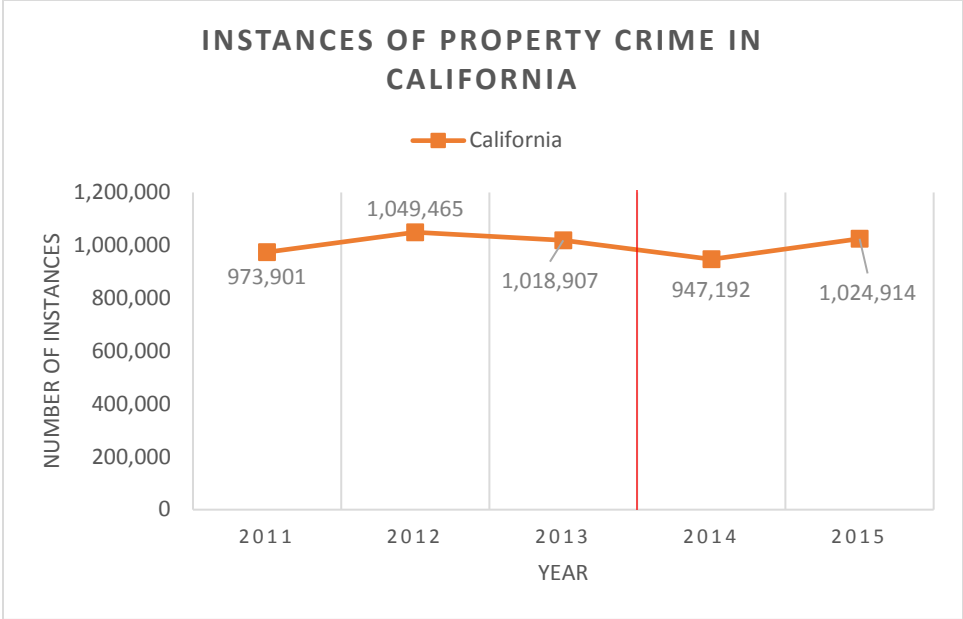

*San Jose and San Francisco isolated due to their order of magnitude.

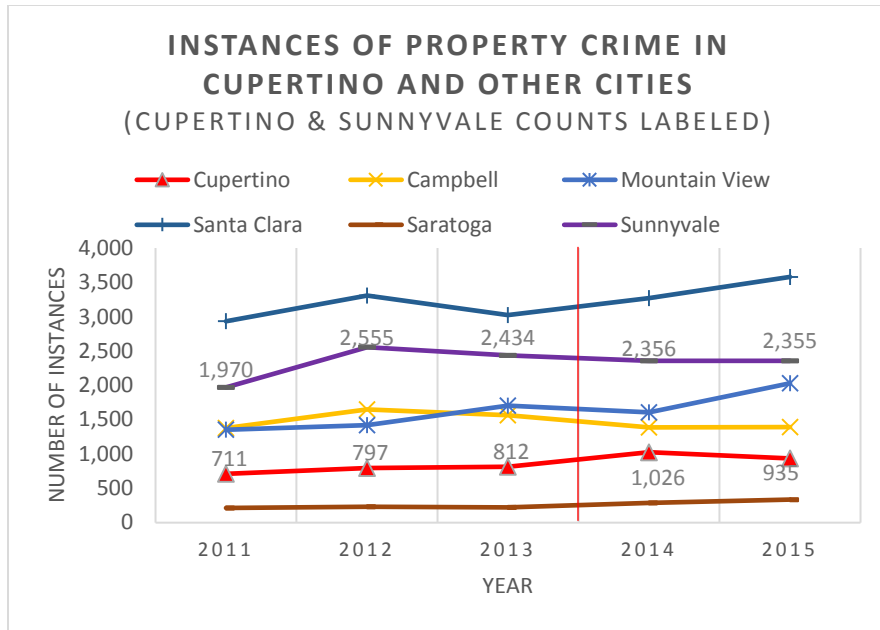

Property Crime

The following charts include all Property Crime except arson as reported by the FBI. Property crime consists of burglary, larceny-theft, motor vehicle theft, and arson (which is excluded here).

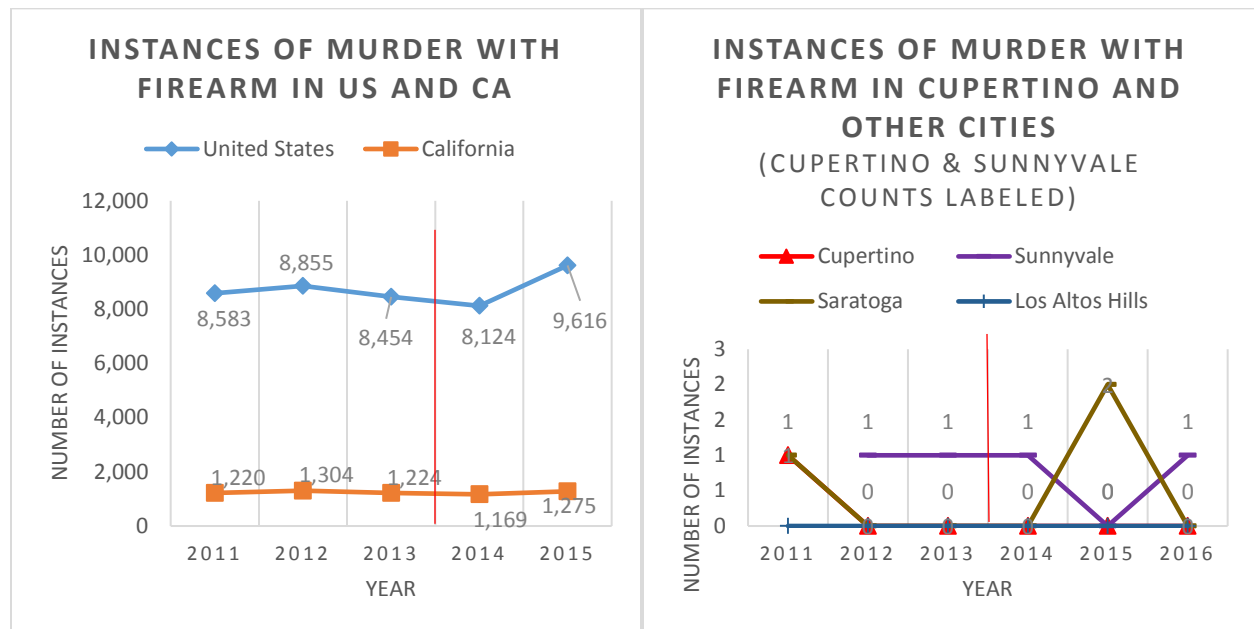

*San Jose and San Francisco isolated due to their order of magnitude.

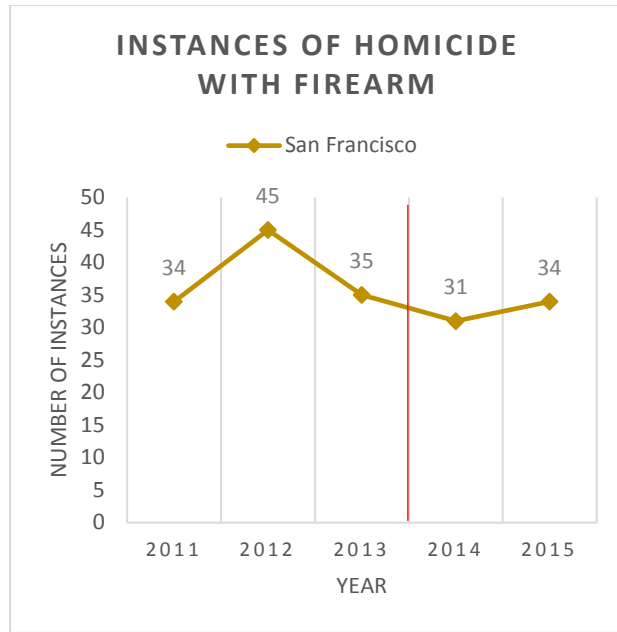

Firearm Related Crime

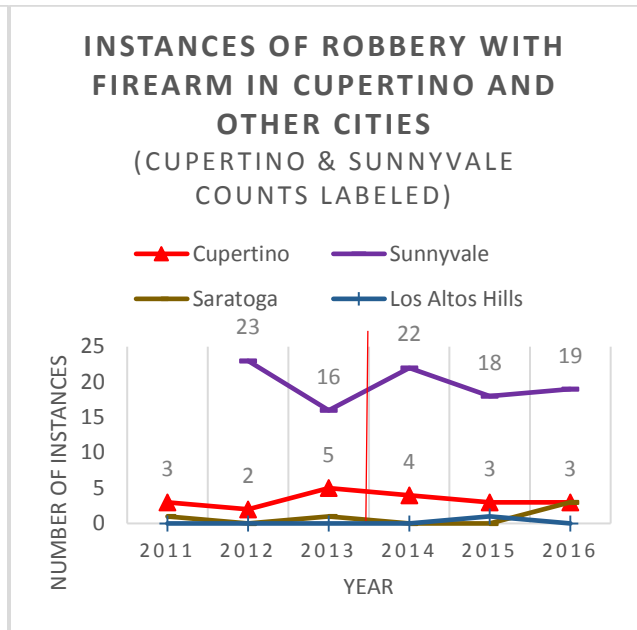

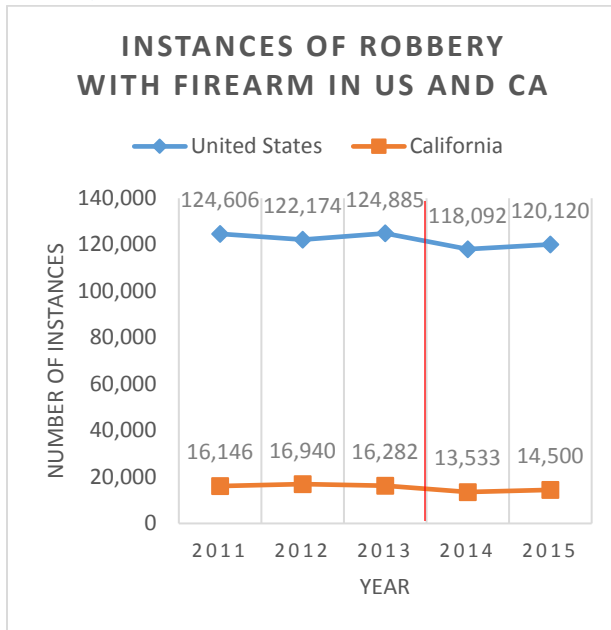

The following charts include instances of murder, robbery, and aggravated assault with firearm as reported by the FBI and the Santa Clara County Sheriff's Office. San Francisco's data reflects homicides with firearm, which may include non-criminal homicide, as well as additional information found in their CompStat report.
