1	Draft a policy regarding disclosure to the public of remodeling costs of buildings the Council is considering purchase of in open session. This policy would ensure that the public will not be surprised to find a negotiated arrangement to provide a Council-designated property negotiator more than the delegation of authority to negotiate the cost of the property (meaning Council shall not negotiate remodeling costs or process of determining remodeling amounts in closed session).	Requestor: Moore Seconder: Chao	6/28/24 added by email	This item was postponed in October. Council can either: 1. Agendize this discussion 2. Remove from list	An action item to add the City Hall Renovation and City Hall Annex to the Fiscal Year (FY) 2025-26 Capital Improvement Programs (CIP) projects list
2	Report to Council a cost comparison of leasing vs. buying office property in Cupertino for a lease length of time of 2 years (in the event that plans for remodel and retrofit are drawn up and executed, staff leases an unremodeled building for 2 years and returns) or 7 years (in the event that a purchased office building requires \$5M in remodel costs which takes one year to complete, and City Hall relocates to it for 6 years, sells the building in a flat office market and returns). Both of these scenarios would assume City Hall is remodeled at \$27M.	Requestor: Moore Seconder: Chao	6/28/24 added by email	This item was postponed in October. Council can either: 1. Agendize this discussion 2. Remove from list	An action item to add the City Hall Renovation and City Hall Annex to the Fiscal Year (FY) 2025-26 Capital Improvement Programs (CIP) projects list

4	Discuss and give direction on the "wisdom of purchase" versus leasing of any property as an interim city hall, based on prior council motions for city hall renovation/rebuild, to include the duration of the use of the interim city hall, an estimate of leasing/purchasing prices and estimated remodeling/earthquake retrofit costs in general terms as permitted in an open session before any offer is made on any property. The agenda item on June 18 Council meeting to authorize the city managers as a negotiator, only listed the property address, but not the "wisdom of the purchase".	Requestor: Chao Seconder: Moore	7/9/24 added by email	This item was postponed in October. Council can either: 1. Agendize this discussion 2. Remove from list	An action item to add the City Hall Renovation and City Hall Annex to the Fiscal Year (FY) 2025-26 Capital Improvement Programs (CIP) projects list
5	Consider a policy to provide access to documents made available for closed sessions ahead of time with proper security measures. Accordingly, Councilmembers can read the materials before and after a closed session.	Requestor: Chao Seconder: Moore	At 7/16/24 Council meeting	Staff recommends removing this item. Materials are confidential and should be based on the sensitivity of the information and the nature of the agenda item.	Keep on list until added to Council Procedures Manual

6	Consider regulations on sound amplification devices in parks	Requestor: Moore Seconder: Chao	Added by email on 9/12/24 and at the 9/17/24 Council meeting.	Staff recommends removing this item. Sound amplification is currently allowed in parks with a valid City permit as specified in CMC 13.04.120 Use of Park Property Section I.	A friendly amendment was approved to hold a study session on this item.
