SECTION III

NOW, THEREFORE, BE IT ORDAINED:

After careful consideration of the, maps, facts, exhibits, testimony and other evidence submitted in this matter, the City Council hereby adopts the Master Zoning Map amendments based on the findings described above, the public hearing record, subject to the conditions specified below:

Section 1. The recitals set forth above are true and correct, and are hereby incorporated herein by this reference as if fully set forth in their entirety.

Section 2. The City Council finds the following as set forth by Municipal Code 19.152.020.C:

1. That the proposed zoning is in accord with Title 19 of the Municipal Code and the City's Comprehensive General Plan (Community Vision 2040) and the proposed amendments are internally consistent with Title 19 of the Municipal Code.

The Housing Element of the General Plan calls for the City to permit at least 389 dwelling units in the Vallco Shopping District Special Area. The General Plan Amendments (adopted at the _____ City Council meeting with Resolution Nos. _____ and _____) modify the Land Use Element of the General Plan to remove office as a permitted use within the Vallco Shopping District Special Area and define development standards that will allow residential development by right on 13.1 acres at a maximum density of 35 dwelling units per acre. The proposed municipal code amendments would rezone the properties within the Vallco Shopping District Special Area for consistency with the General Plan, as amended by General Plan Amendments GPA-2019-01 and GPA-2019-02, and other relevant portions of the Municipal Code.

2. The proposed zoning is in compliance with the provisions of the California Environmental Quality Act (CEQA).

The City has prepared a Second Addendum to the Final EIR for the General Plan Amendment, Housing Element Update, and Associated Rezoning Project that analyzes the potential environmental effects of the proposed zoning amendments. The City Council has exercised its independent judgment and reviewed and considered the information in the Second Addendum, which concludes that no further environmental review is required for the proposed zoning amendments to comply with CEQA.

3. The site is physically suitable (including, but not limited to, access, provision of utilities, compatibility with adjoining land uses, and absence of physical constraints) for the requested zoning designation(s) and anticipated land use development(s).

The sites being rezoned have access to utilities and are compatible with adjoining land uses. To the extent that there are deficient utilities, the City has adopted mitigation measures to ensure

that any future development would need to provide the appropriate utilities to accommodate the development. The proposed zoning would implement the Housing Element and the Land Use Element of the General Plan, as amended by General Plan Amendments GPA-2019-01 and GPA-2019-02, which include development standards to permit at least 389 residential units and complementary commercial uses on the site, which are compatible with anticipated land use development in the area.

4. The proposed zoning will promote orderly development of the City.

The sites being rezoned will promote orderly development in the City by allowing a critical mass of development to be proposed along the City's Priority Development Area (PDA) in which future development is anticipated without exceeding the vision for housing and complementary commercial development required in the Housing Element and Land Use Element of the General Plan, as amended by General Plan Amendments GPA-2019-01 and GPA-2019-02.

5. That the proposed zoning is not detrimental to the health, safety, peace, morals and general welfare of persons residing or working in the neighborhood of subject parcels.

The proposed zoning is not detrimental to the health, safety, peace, morals and general welfare since these are conforming changes that are necessary to implement the Housing Element and Land Use Element of the City's General Plan, as amended by General Plan Amendments GPA-2019-01 and GPA-2019-02. Additionally, where health or safety impacts have been identified in the Final EIR, mitigation measures have been identified which would be applicable to any development on these sites.

Section 3. The City Council approves amendments to the Master Zoning Map as shown in Exhibit A.

Section 4. If any portion of this Ordinance or its application is for any reason held to be invalid, unenforceable or unconstitutional, by a court of competent jurisdiction, that portion shall be deemed severable, and such invalidity, unenforceability or unconstitutionality shall not affect the validity or enforceability of the remaining portions of the Ordinance, or its application to any other person or circumstance. The City Council hereby declares that it would have adopted each section, sentence, clause or phrase of this Ordinance, irrespective of the fact that any one or more other sections, sentences, clauses or phrases of the Ordinance be declared invalid, unenforceable or unconstitutional.

Section 5. The City Council directs the Director of Community Development to file a Notice of Determination with the Santa Clara County Recorder in accordance with CEQA and the CEQA guidelines.

Section 6 This Ordinance shall not take effect unless and until General Plan Amendments GPA-2019-01 and GPA-2019-02 become effective.

¹ The zoning on assessors' parcels in the table below was amended in September 2018 (Ord. Z-2018-2178) in connection with the City's approval of the Vallco Specific Plan. The adoption of that Zoning Ordinance has been challenged and thus the validity of the zoning code amendments therein is uncertain. *See, e.g., Midway Orchards v. County of Butte* (1990) 220 Cal.App.3d 765. The table shows the zoning as adopted in September 2018, and the parcels' zoning as existing before that date.
