Council conducted the Initial Study Session on Fiscal Year (FY) 2025-26 Proposed Budget and FY 2025-26 Capital Improvement Programs.

Council provided the following direction:

- Unanimously supported including a staff proposal in the budget for funding a position to assist with hybrid commission meetings.

Councilmembers requested staff follow-up on the following items:

- Chao and Moore: Supported exploring a citywide traffic study; requested an

- informational memorandum evaluating process to collect data such as traffic counts, flow, and speed surveys, along with proposed scope and cost.
- Moore: Requested historical data on the City's vacancy rates.
 - Chao: Requested information about staffing trends, historical vs. current staffing levels.
 - Moore: Look into discontinuing the remaining \$100,000 in funding for Rise engagement project work program item.
 - Moore: Requested clearer accounting on Sister City Program, facility use, and free use of City facilities; requested review of agreements governing use of City property.
 - Chao: Requested consideration of adding a "nonprofit support" section in the budget to show the actual costs associated with each supported nonprofit.
 - Wang: Requested clearer distinctions between resident and non-resident benefits in the fee schedule; requested a report/informational memo on the fee schedule's history and structure, with comparisons.
 - Chao: Requested information on Blackberry Farm Pool summer staffing for potential reopening for July 4 and impacts of decreased part-time staffing; and whether the staffing shortage is due to reduced summer programs.
