Powers and
Functions

Presentations

Powers and Functions

November 19, 2025

David Stillman

City of Cupertino
Transportation Manager

CUPERTINO

BPC Powers and Functions

review, monitor and suggest recommendations for City transportation matters including, but not limited to, bicycle and pedestrian traffic, parking, education and recreation within Cupertino.

To fulfill their mission, the Commission may involve itself in the following activities:

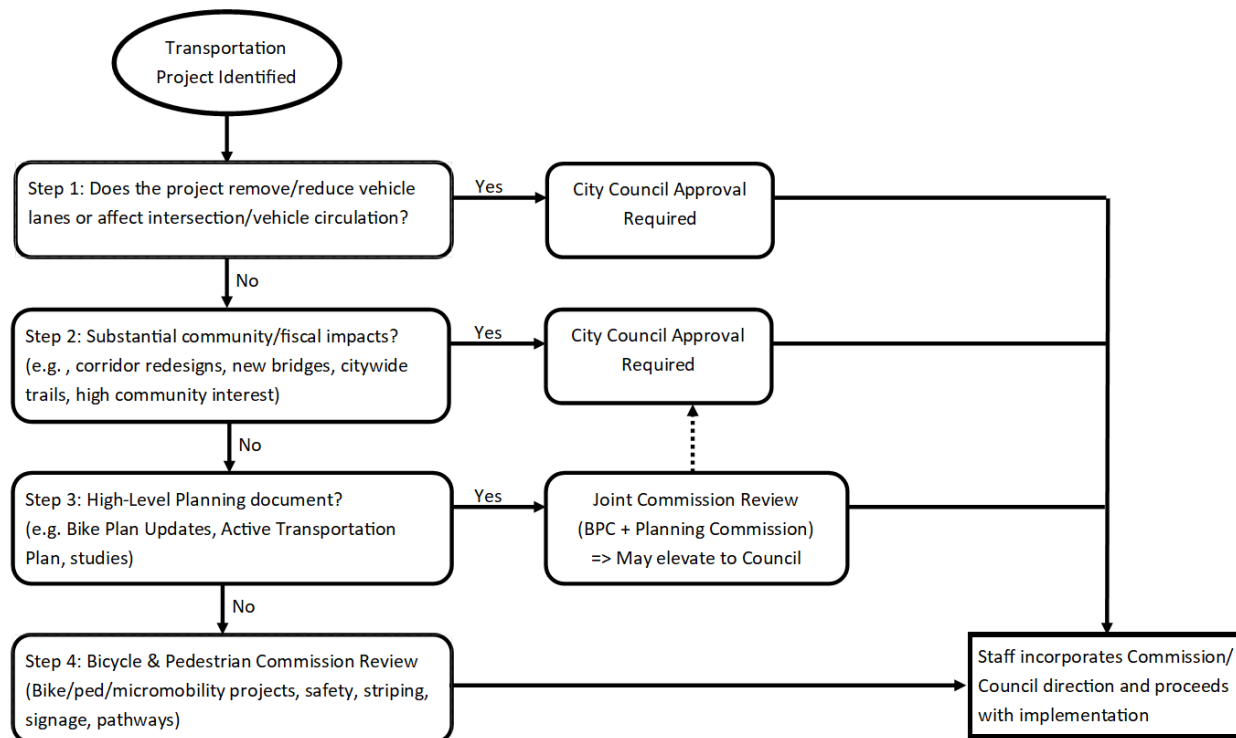

- To monitor and update the bicycle transportation plan and pedestrian transportation guidelines;
- To suggest recommendations, review and monitor the City's general plan transportation element;
- To receive public input pertaining to bicycle and pedestrian transportation and infrastructure issues;
- To make recommendations regarding the implementation of roadway and transportation improvements as it pertains to bicycle and pedestrian needs;
- To make recommendations regarding the allocation of funds for capital expenditures relating to bicycle and pedestrian transportation;
- Any other activity that may be deemed appropriate and necessary.

- 
-
-
- Bicycle or pedestrian projects which involve a permanent change to vertical elements within the street between existing curbs
 - Projects with community outreach
 - Bicycle or pedestrian projects which are heard as a Council discussion item, except items requested by Council to be heard directly
 - Staff recommendations for active traffic control devices (such as, stop signs, traffic signals, crossing guards)
 - Council requests for Bicycle and Pedestrian Commission recommendations
 - Major development projects, on-site and off-site (if more detailed, or if it differs from the Bike Plan)
 - All items falling within the Bicycle Pedestrian Commission's Mission Statement, per the Municipal Code

- 
-
-
- No change to 2.92 (Bike Ped Commission name or its Powers and Functions)
 - ...ensure the Commission carries out its responsibilities under Section 2.92.080(B), which include reviewing, making recommendations, and monitoring the City's General Plan Transportation Element.
 - ...develop additional policy on increased transparency around a specific class of projects.

- 
-
-
- Describes circumstances under which projects are brought to Council for review/direction
 - Does not conflict with 3-22-22 BPC motion
 - Provides for joint BPC/PC meeting under some circumstances

Policy Development

Thank you
