

**Draft Ordinance No. 20-2200**

ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CUPERTINO AMENDING TITLE 3, REVENUE AND FINANCE: CHAPTER 3.12 (TRANSIENT OCCUPANCY TAX), REVENUE AND FINANCE, AMENDING TITLE 5, BUSINESS LICENSE AND REGULATIONS: CHAPTER 5.08 (SHORT-TERM RENTAL ACTIVITY), AMENDING SPECIFIED CHAPTERS OF TITLE 19, ZONING, OF THE CUPERTINO MUNICIPAL CODE CHAPTER 19.08 (DEFINITIONS), CHAPTER 19.12 (ADMINISTRATION), AND CHAPTER 19.120 (HOME OCCUPATIONS), TO REGULATE SHORT-TERM RENTAL USES IN RESIDENTIAL ZONING DISTRICTS

WHEREAS, on July 24, 2018, the Planning Commission provided staff guidance on potential short-term rental regulations;

WHEREAS, from August 8, 2018 through August 26, 2018, staff made an online survey regarding short-term rental regulations available to the public;

WHEREAS, a community meeting was held on October 4, 2018 to allow the public an opportunity to review and receive comments on the preliminary draft regulations;

WHEREAS, the Planning Commission held a duly noticed public hearing on January 14, 2020 to considered the Ordinance; and

WHEREAS, with Resolution No. 6896 the Planning Commission has recommended on a 4-0 vote (Chair Wang absent) that the City Council adopt the Ordinance amending the Municipal Code in substantially similar form as presented in Planning Commission Resolution No. 6896; and

WHEREAS, on July 7, 2020 upon due notice, the City Council has held at least one public hearing to consider the Planning Commission's recommendation and the Ordinance; and

WHEREAS, the City Council is the decision-making body for this Ordinance; and

WHEREAS, based on substantial evidence in the administrative record, the City Council finds that this Ordinance is determined to be not a project within the meaning of section 15378 of the California Environmental Quality Act ("CEQA") Guidelines because the Ordinance amending Title 3, Title 5, and Title 19 of the Municipal Code imposes administrative regulations related to short-term rentals that have no potential for resulting in physical change in the environment, either directly or indirectly, and therefore, pursuant to CEQA Guidelines section 15060(c)(3), no environmental review is required. Short-term rental activity is already occurring in Cupertino; the Ordinance is not anticipated to result in significant changes to the number or scope of short-term

rentals. In the event that this Ordinance is found to be a project under CEQA, the City Council further finds, based on substantial evidence in the record, that the Ordinance is exempt from environmental review under CEQA Guidelines section 15061(b)(3), because it can be seen with certainty that the Ordinance's administrative regulation of short-term rentals will have no possibility of a significant effect on the environment, and under CEQA Guidelines section 15305, because the Ordinance involves minor alterations in land use limitations that do not alter permitted uses or density. No exceptions to these categorical exemptions apply.

WHEREAS, the City Council finds the following with regard to this application:

- 1) That the proposed zoning is in accord with Municipal Code Title 19 and the City's Comprehensive General Plan.

*The Ordinance does not change any zoning designations, but rather it modifies Title 3: Revenue and Finance, Title 5: Business Licenses and Regulations, and Title 19: Zoning to create standards for regulation of short-term rental activity as an expressly permitted use in residential zones. The proposed amendments do not render existing provisions of the Municipal Code inconsistent with those proposed.*

*The proposed regulations will further the City's General Plan Goal LU-8: "Maintain a fiscally sustainable city government that preserves and enhances the quality of life for its residents, workers and visitors." Short-term rentals that operate in the City will be required to obtain necessary permits and licensing, and will be required to collect Transient Occupancy Taxes for all short-term rental stays. Additionally, the proposed ordinance is consistent with General Plan Policy LU-8.2: Land Use – Encourage Land uses that generate City revenue. Again, by allowing for short-term rentals to operate within the City, the City will be able to generate revenue from Transient Occupancy Tax. Further, by providing regulations which would allow this use to occur while limiting adverse impacts, the ordinance is consistent with General Plan Strategies: LU-27.1.1: "Regulation. Maintain and update design regulation and guidelines for single-family development that address neighborhood compatibility and visual and privacy impacts."*

- 2) The proposed zoning is in compliance with the provisions of the California Environmental Quality Act (CEQA).

*As discussed in the findings, the proposed Ordinance is not a project within the meaning of section 15378 of the CEQA Guidelines because it has no potential for resulting in physical change in the environment, either directly or indirectly. In the event that this Ordinance is found to be a project under CEQA, it is exempt from CEQA review under CEQA Guidelines sections 15061(b)(3) and 15305.*

- 3) The site is physically suitable (including, but not limited to, access, provision of utilities, compatibility with adjoining land uses, and absence of physical constraints) for the requested zoning designation(s) and anticipated land use development(s).  
*Not applicable. The proposed ordinance changes does not propose any physical change in the environment or affect any development standards for physical development, and the uses it authorizes are consistent with existing residential activities in permitted zones.*
- 4) The proposed zoning will promote orderly development of the City.  
*By creating regulations for short-term rentals and limiting areas where such activity may occur, the ordinance will promote orderly development in the City.*
- 5) That the proposed zoning is not detrimental to the health, safety, peace, morals and general welfare of persons residing or working in the neighborhood of subject parcels.  
*The proposed ordinance provides regulation to maintain the health, safety, peace, morals and general welfare of persons residing or working in the neighborhood of subject parcels by providing regulations that limit adverse impacts of short-term rental activity. The proposed ordinance incorporates regulations and enforcement options pertaining to occupancy, parking, and noise, and allows for the possibility of revocation of permits if the activity is determined to be conducted inconsistent with the City's Municipal Code. The proposed ordinance regulates hosting platforms to ensure that hosts cannot easily conduct short-term rental activity in violation of the City's Municipal Code, to ensure collection and remittance of transient occupancy tax, and to address the increased compliance burden on the City created by the popularity of hosting platforms.*
- 6) The proposed amendments are internally consistent with this title.  
*All the necessary chapters and sections of Title 3: Revenue and Finance, Title 5: Business Licenses and Regulations, and Title 19: Zoning have been amended to ensure internally consistency with the proposed regulations.*

**NOW, THEREFORE, THE CITY COUNCIL OF THE OF CITY OF CUPERTINO DOES ORDAIN AS FOLLOWS:**
