Thank you, Kevin. Just as an FYI, we have already received approval from San Jose water (we sent the request last week).

We are working with Comcast and AT&T.

After your approval Cupertino takes 5 weeks to review/approve.

Is there any way we can have this expedited on your end, for an additional fee? It has halted our project for expansion in the front.

Appreciate all help!

Thank you!

Uday

Hi Kevin,

Attaching letter that I sent via postal mail including all attachments. Also adding attachments for reference.

Thanks for your help with this. The word document also contains the letter for Cupertino city – the format they requested for your approval.

Thanks,

Uday Naik & Vasanthi Chetty
