A Message from the City Manager

Hello Neighbors,

As February unfolds, our community has already experienced meaningful moments of connection, including celebrating locally for the Big Game and the first monthly Mayor Chat of the Year. With Presidents' Day weekend and the Mid-Year Recess for local schools, it has been encouraging to see neighbors staying active and engaged.

In this edition, you'll find opportunities to share your input, including the Health and Safety Element, now open for public review, along with an update on the Priority Housing Site townhome development and details about upcoming events such as tonight's annual State of the City, the Big Bunny 5K, and the Teen Resource Fair.

Thank you for staying engaged and informed. Our work continues to be shaped by your feedback and participation. I hope to see many of you at the State of the City address tonight at Quinlan Community Center. Doors open at 6 p.m. and the program begins at 6:30 p.m.
