** Buildout totals for Office and Residential allocation within the Vallejo Shopping District are contingent upon a Specific Plan being adopted for this area by May 31, 2018. If a Specific Plan is not adopted by that date, City will consider the removal of the Office and Residential allocations for Vallejo Shopping District. See the Housing Element (Chapter 4) for additional information and requirements within the Vallejo Shopping District.

* The Vallejo Town Center Specific Plan authorizes a community benefits density bonus as an alternative to the State Density Bonus if proposed development meets special criteria. The applicable Development Allocations, if the City approves a community benefits density bonus, are identified as Tier 2 in Table LU-1.

** For a Tier 2 project in the Vallejo Town Center Special Area, an additional 250,000 square feet of allocation is allowed for office amenity space, as defined in the Vallejo Town Center Specific Plan, for a total allocation of 1,750,000 square feet.
