

## CITY COUNCILMEMBER REPORT

Meeting: June 16, 2026

Reporting Councilmember: **Councilmember Sheila Mohan**

Report Dates: 5/26/26 to 6/8/26

Item Date, Title, and Description:

5/1/26: Attended a prep session conducted by staff which provided details of proposed townhome development by **Summerhill Homes** on Bandley Drive. The residential project will feature 27 three-story homes, including 5 affordable units, replacing a commercial building on a 1.55 acre site. Council approved this at the 5/2/26 meeting.

5/2/26: At the request of **Summerhill Homes applicants**, I attended a zoom meeting with the principal developers who made a brief presentation on their plans for the townhome project on Bandley Drive. The discussion included details of tree removal (25) and replacement with 55 new trees., as well as architectural details such as placement of front doors and overall appearance of the entire development.

6/6/26 I was pleased to attend the **Cupertino Little League's** closing ceremonies, along with Mayor Moore and Councilmember Fruen. Assemblymember Patrick Aherns also attended. This is always a heart-warming event with parents, volunteers and enthusiastic children coming together for the end of the softball season.

5/6/26 Along with several bay area elected officials, I attended the 14<sup>th</sup> anniversary of the **Balaji Hindu Temple in San Jose**. As always, this was a well-attended event attended by hundreds of temple devotees, volunteers and community members. I made a few remarks about the Indian-American community in Cupertino, and the many festivals we celebrate.
