A Message from the City Manager

Hello Neighbors,

As we head into this season of gratitude, I want to express my heartfelt appreciation to our community. I am deeply honored to have been appointed City Manager this past week and to continue serving the City. City Council's unanimous decision on my appointment has brought positive media attention to Cupertino, and many of you have reached out with kind words of support, encouragement, and excitement. Thank you. It truly means a lot to me. More about the announcement in this newsletter.

In this edition, you'll also find highlights of the City's recent recognition from the Metropolitan Transportation Commission for our smooth, well-maintained streets, an achievement we can all take pride in. There's also a business buzz section with updates around all things economic development. With winter weather approaching, we've included helpful reminders to support our local businesses this holiday season and resources to help you stay prepared. You'll also find details about the upcoming Coyote Community Meeting, aimed at helping residents stay informed and safely coexist with our local wildlife.

Thank you for your continued engagement and partnership. I wish you and your loved ones a warm, joyful, and gratitude-filled Thanksgiving.
