**SPECIAL CUPERTINO SUSTAINABILITY COMMISSION
PUBLIC MEETING
OCTOBER 16, 2019 AT 6:00 PM**

NOTICE IS HEREBY GIVEN that a Special Cupertino Sustainability Commission Public Meeting will be held on October 16, 2019 at 6:00 p.m. regarding the following:

Building Reach Code Community Workshop. The Sustainability Commission and City staff invite you to attend a public workshop on building reach codes for new construction. Reach codes are enhancements to the California Building Standards Code that require higher environmental or energy performance for new buildings seeking construction permits. At this workshop we will discuss options for the City's building reach code and receive public feedback on the draft ordinances. Sustainability Commissioner Meera Ramanathan and Commissioner Vignesh Swaminathan will host the event supported by City staff. Other Sustainability Commissioners may also attend.

Members of the public may submit written questions during the meeting. Members of the public may also speak directly on this topic during interactive breakout sessions.

The meeting will be held in Community Hall, 10350 Torre Avenue, Cupertino, California.

Dated this 3rd day of October 2019.

A handwritten signature in black ink, appearing to read 'Gilee Corral', written over a horizontal line.

Gilee Corral
Sustainability Program Coordinator
