NOW, THEREFORE, BE IT ORDAINED AS FOLLOWS:

That after careful consideration of the facts, exhibits, testimony and other evidence submitted in this matter, the City Council adopts the Rezoning based upon the findings described above, the public hearing record and the Minutes of Planning Commission Meeting of November 23, 2021, and subject to the conditions specified below:

Section 1. The recitals set forth above are true and correct, and are hereby incorporated herein by this reference as if fully set forth in their entirety.

Section 2. The City Council finds the following as set forth by Municipal Code 19.152.020.C:

1. That the proposed zoning is in accord with Title 19 of the Municipal Code and the City's Comprehensive General Plan (Community Vision 2040).

The project has been determined to be consistent with the General Plan. The proposed rezoning would be consistent with the proposed land use and the General Plan consistency determination. The Planned Development district allows the City flexibility to approve project specific development standards different from the standards outlined in the Zoning regulations for the site.

2. The proposed zoning is in compliance with the provisions of the California Environmental Quality Act (CEQA).

As set forth above, the City examined the environmental effects of the Project, including the zoning amendments adopted herein, and in the Initial Study and Mitigated Negative Declaration

prepared in accordance with the California Environmental Quality Act. On January 13, 2022 the City Council adopted resolution 22-008 to approve the Initial Study and Mitigated Negative Declaration with the Mitigation Monitoring and Reporting Program. Any potential impacts associated with project have been analyzed, and mitigation to reduce any potential impacts to less than significant with mitigation have been adopted. Therefore, the proposed zoning complies with the provisions of CEQA.

3. The site is physically suitable (including, but not limited to, access, provision of utilities, compatibility with adjoining land uses, and absence of physical constraints) for the requested zoning designation(s) and anticipated land use development(s).

The site being rezoned will have access to existing utilities and is compatible with adjoining residential land uses.

4. The proposed zoning will promote orderly development of the City.

The site being rezoned will promote orderly development in the City through incorporation of development standards proposed by the project in compliance with the Planned Development Zoning District regulations of the Municipal Code, while continuing to allow commercial activity in the future.

5. That the proposed zoning is not detrimental to the health, safety, peace, morals and general welfare of persons residing or working in the neighborhood of subject parcels.

The proposed zoning is not detrimental to the health, safety, peace, morals and general welfare since the proposed uses have been determined to be consistent with the City's General Plan Land Use Element. Additionally, where any potential health or safety impacts have been identified in the Project's CEQA analysis, mitigation measures have been identified which would be mitigate the impact.

Section 3. The City Council approves the following:

1. That the property described in attached Exhibit Z-1 have a zoning designation as that shown in the table below and is incorporated into the Master Zoning Map (Exhibit Z-2) of the City of Cupertino; and

APN	Current Zoning	New Zoning
341-14-066	P(CG)	P(CG, Res)
342-14-104	P(CG)	P(CG, Res)
342-14-105	P(CG)	P(CG, Res)

2. The approved plan for the project indicates the setbacks, minimum common and private open space, maximum floor area ratio, height and other development

standards. Any future changes to these standards would require a rezoning of the property.

Section 4. The City Council finds the Rezoning is within the scope of the Initial Study Mitigated Negative Declaration and directs the Director of Community Development to file a Notice of Determination with the Santa Clara County Recorder in accordance with CEQA guidelines.

Section 5. This Ordinance shall be effective thirty (30) days following its adoption.

INTRODUCED at a special meeting of the City Council of the City of Cupertino the 13th day of January, 2022, and ENACTED at a regular meeting of the City Council of the City of Cupertino the 1st day of February, 2022, by the following vote:
