# CERT ACADEMY TRAINING 2026

**Join Your Local CERT Today!**

## What is CERT?

Community Emergency Response Team (CERT) members prepare, organize and work together as a team to provide essential services to their community during and after a disaster.

Each City/Town has its own organized CERT volunteer program. CERTs strengthen neighborhood resiliency and provide vital roles in disaster response efforts.

## CERT Academy Training

Skills taught include organizing resources, medical operations, basic search & rescue, hazardous materials awareness, how to use a fire extinguisher, cribbing, radio use, damage assessment, disaster psychology, and more.

## Participant Commitment

Participants must be 18 years or older, attend all in-person and online classes, and complete all homework assignments– including participation in the final skills day to receive a CERT course completion certificate.

## 2026 CERT Academy Schedule

Please review the Academy dates on the back of this flyer. Contact [CERT@sccfd.org](mailto:CERT@sccfd.org) with any questions prior to registering.

**TO REGISTER : \$35** (includes basic safety equipment)
