

RESOLUTION NO. 26-042

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CUPERTINO
ADOPTING THE 2026 COMMISSIONERS' HANDBOOK**

WHEREAS, on March 5, 2024, the Cupertino City Council identified a need to update the 2021 Commissioner's Handbook as part of the 2023-2025 City Work Program and adopted revisions to policies and procedures; and

WHEREAS, on April 7, 2026, the City Council considered revisions to proposed policies and procedures at a duly noticed regular meeting of the City Council.

NOW, THEREFORE, BE IT RESOLVED that:

1. The 2024 Commissioner's Handbook and the procedures, policies, and rules therein are hereby repealed and rescinded.
2. The City Council hereby adopts the 2026 Commissioners' Handbook attached hereto as Exhibit A.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Cupertino this 7th day of April, 2026, by the following vote:

Members of the City Council

AYES: Moore, Chao, Fruen, Mohan
NOES: None
ABSENT: Wang
ABSTAIN: None

SIGNED:  Kitty Moore, Mayor City of Cupertino	<u>4/30/2026</u> Date
ATTEST:  Lauren Sapudar, City Clerk	<u>4/30/2026</u> Date

THE STRUCTURE OF GOVERNMENT

FORM OF GOVERNMENT

The City of Cupertino operates as a general law city with a City Council-City Manager form of government where the City Council sets policy. The City Manager manages the implementation and administration of those policies.

CITY COUNCIL

The City Council is the governing legislative body of the City, consisting of five members elected in even numbered years to staggered four-year terms. These councilmembers then elect the mayor and vice mayor to one-year terms. The City Council sets goals and priorities and establishes policies. The Mayor is the presiding officer of the Council and the official spokesperson and representative of the City.

CITY MANAGER AND STAFF

City Manager

The City Manager has complete responsibility and authority for the administration of the City's government. The City Manager is appointed by and serves at the pleasure of the Council and is the appointing authority for the City, selecting the department heads and other employees. The City Manager coordinates and directs the services of the City staff. Commissioners should not attempt to direct or prioritize work for departments or individual staff.

City Clerk

The City Clerk administers the recruitment, appointment, and onboarding of the appointed commissioners. The City Clerk administers the necessary steps for commissioners to begin their service, including administering the Oath of Office to commissioners and providing an orientation to the commissioners regarding the role of the commission to which they have been appointed. The City Clerk oversees commission membership, including annual attendance, ensuring commissioners submit a signed Code of Ethics and complete the necessary trainings. The City Clerk is the filing officer for Statements of Economic Interests (Form 700s), and any other required filing as identified by the City Council and the State.

City Attorney

The City Attorney's Office provides legal advice to City commissions and staff supporting the commissions. The City Attorney may provide advice regarding matters pending before a commission, compliance with the Brown Act, and other legal issues. In addition, commissioners may seek informal advice from the City Attorney's Office regarding conflicts of interest; provided, however, that it is understood that a commissioner is automatically protected from potential liability for conflict of interest only upon taking action that conforms to a written opinion issued by the California Fair Political Practices Commission.

Staff

Staff refers to City employees assigned by the City Manager to assist Commissions in an advisory capacity. Staff provide subject matter expertise, analysis, and guidance to help the Commission make informed decisions. Staff also coordinates logistics associated with legal requirements, agenda preparation and posting. It is not expected that every staff recommendation will be followed; however, because of the staff's technical knowledge, full consideration should be given to their recommendation. Staff are at liberty to make their recommendation to the City Council through the City Manager, even though the commission may have taken a different position. However, in these cases, the commission recommendation will be made clear to the City Council.

Staff Liaison

A staff liaison is assigned to each commission and is the primary point of contact for all commissioners. Their main duties include facilitating meetings, preparing agendas, and advising commissioners. Commissioners should reach out to their liaison if they have any questions regarding matters of the commission, or if they would like to contact other staff regarding official business.

Commission Administrator

The Commission Administrator supports commissioners on meeting procedures, noticing requirements, and materials submitted for the public record. They attend and manage administrative aspects of Commission meetings, including preparing agendas and minutes, running the virtual platform, coordinating meeting technology, and timing public comment.

COMMISSIONS

Commissions are subsidiary legislative bodies, subject to the Brown Act, comprised solely of members appointed by the City Council. The primary purpose of the City's commissions is to serve as advisory bodies to Council by weighing public input and rendering recommendations to the City Council. Commissions do not manage or direct day-to-day operations or the work of staff. There are times when the advisory body's recommendation will not be sustained or will be modified by the City Council. It is important to recognize this not as a rejection of the integrity of the recommendation, but as an inevitable part of the process of community decision-making.

The Council has appointed commissioners as advisors to them. Individual commissioners are at liberty to express their personal opinions to the City Council on items within the scope of their commission's jurisdiction if they clearly state that they are speaking on behalf of themselves only. The Council appreciates hearing the rationale supporting both the majority position and the minority position, as this enriches the decision-making process. Commissioners should recognize if their opinion is inconsistent with the full commission's position. The scope of work, purpose, and other primary functions for each commission can be found in the City [Municipal Code Title 2](#).

Chair and Vice Chair

Each year, every commission will elect from its membership a Chairperson (Chair) and a Vice Chairperson (Vice Chair) who serve at the pleasure of the commission for a one-year term. The Vice Chair acts in this capacity when the Chair is not available.

The Chair should:

- Meet with the staff liaison to collaborate on agenda items, guided by the Work Plan.
- Maintain order of the meeting, ensure respect for all opinions, protect commissioners, staff, and the public from personal attacks.
- Keep discussion focused on the agenda item at hand.
- Solicit opinions from commissioners. Encourage evaluation of new, tentative, or incomplete ideas. Discourage overly dominant commissioners from having disproportionate control over the discussion.

- Attempt to reach decisions expeditiously on action items. At those times when action would be premature, guide discussion toward a timeline or framework for responsible action.
- Set meeting rules early and make sure everyone abides by them without exception.
- Set an acceptable time limit for public testimony (generally three minutes per individual and 10 minutes per group) and stick to it. At the Chair's discretion, the public can interact with the members of the commission beyond the public-comment time limit in order to facilitate better communication of the agendized topic. However, the Chair should take care that all members of the public are given the same opportunities to participate in commission meetings.
- Provide periodic updates, approved by the full body, to Council regarding the status of their activities as requested by Council.

COMMITTEES

Committees, for purposes of this Handbook, are subsidiary legislative bodies that are comprised in part of members appointed by the City Council (either directly or ex officio). Committees may also include Councilmembers or City staff among their membership. Where applicable, the requirements of this Handbook shall apply to Council-appointed committee members and to committee meetings and procedures

COMMISSION MEMBERSHIP

QUORUM, ATTENDANCE, TRAINING, AND REPORTING

A quorum consists of a majority of the members of the commission. A quorum is required to conduct business at any meeting whether it is a regular, adjourned, or special meeting. While it is expected that members be present at all meetings, the staff liaison and Chair should be notified if a member knows in advance that they will be absent.

Each member, including alternate members, should complete all training required by state or federal law or by a City rule or policy.

Required Trainings for Commissioners:

- Ethics (AB 1234): 2 hours; within 6 months of appointment, then every 2 years.

- Anti-Harassment (SB 1343): 1 hour; within 6 months, then every 2 years.
- Annual Commission Training: Once per year.

A member may be removed from an advisory body by a vote of the City Council under the following conditions, in addition to those stated under Resignations and Removals below:

- A member misses more than three consecutive meetings during a term
- A member misses more than 25% of the advisory body's regular meetings in a calendar year
- A member fails to comply with legally required training or conflict of interest reporting requirements after receiving notice and a reasonable opportunity to correct the noncompliance
- Any meeting canceled due to the lack of a quorum will be counted against all of the commissioner(s) unable to participate as a missed meeting.

ALTERNATE MEMBERS

One alternate commission member will be appointed to each commission. The alternate member is required to attend commission meetings as a non-voting member, in person, virtually, or by reviewing the record of the meeting. In the event a regular commission member is absent and the non-voting member is attending in person, the Chair will ministerially “seat” the alternate member as a regular member such that the alternate member will step into the absent member’s role for that meeting, as a voting member and for the purpose of satisfying quorum requirements. If a regular commission member vacates their seat, the City will undertake a recruitment under the Maddy Act (Govt. Code Sections 54970 through 54972) to identify a member to be appointed by the Council to fill the vacancy. Alternate members have all the same requirements and capabilities as regular commissioners except voting rights unless they are seated as a regular member to take the place of an absent member.

VACANCIES

Vacancies are filled by appointment by the Council. Appointments made in the middle of a term are for the unexpired portion of that term.

RESIGNATIONS AND REMOVALS

If a member is unable to continue serving because of health, business requirements or personal reasons, a letter of resignation should be submitted to the City Council. The position of any member may be vacated at the discretion of the City Council 1) if a member ceases to meet the qualifications for office, 2) when Council accepts a member's resignation, 3) when the member fails to comply with the attendance, training, and reporting requirements, or 4) when the Council so declares. The removal of a commissioner will be put on the City Council agenda for action by the City Council, as required by the Council Procedures Manual.

BROAD REPRESENTATION

Representation on City commissions by residents from across the City promotes broad engagement, equity and access to City decisionmakers. To promote broad engagement the City discourages individuals from serving on two or more City commissions simultaneously. Additionally, the City's Municipal Code section 2.36.010 currently prevents the Council from appointing members who "cohabit" or are related by blood or marriage to be members of the same City advisory body.

ETHICS

Residents and businesses of Cupertino and the general public are entitled to have fair, ethical, and accountable local government. To this end, the City Council has adopted a Code of Ethics and Conduct for Elected and Appointed Officials (Resolution No. 23-122). Commissioners should be familiar with and must comply with the Ethics Code in conducting City business. Commissioners must review and sign the Code of Ethics, affirming that they understand and will uphold its principles.

MEETINGS

REGULAR MEETINGS

Commissions are required to hold regular meetings open to the public as provided by the enabling ordinance. The agenda for these meetings must be posted at least 72 hours prior to the meeting. A meeting may be cancelled by the

staff liaison in consultation with the Chair if there is no Commission business to be conducted, or if a quorum will not be present. Staff will prepare the public cancellation notice. This cancellation procedure applies to both regular and special meetings.

ADJOURNED MEETINGS

If the business to be considered at a regular meeting cannot be completed, the Commission may designate a time and date for an adjourned meeting; otherwise, any remaining items shall be continued to the next regular meeting of the Commission.

SPECIAL MEETINGS

A special meeting may be called by the Chair or a majority of the members to address time-sensitive matters that cannot wait until the next regular meeting. Special meetings should be scheduled in coordination with the staff liaison, considering facility and staff availability, and are not intended to replace regular meetings for convenience.

SUBCOMMITTEES

The Chair may appoint special subcommittees of less than a quorum of the commission who then may meet at their convenience to carry out the purpose of the subcommittee. If the subcommittee has a continuing subject matter or a regularly scheduled meeting time, it may qualify as a [Brown Act](#) committee and public notice provisions will apply.

HYBRID MEETINGS AND REMOTE PARTICIPATION

The City offers hybrid meetings to make it easier for public engagement and participation for all commissions and committees. Under the Brown Act, commissioners may participate remotely if they follow the rules set by state law. Commissioners may participate remotely for an approved reason, either under standard state rules or for special circumstances such as illness, emergency, or caregiving. Commissioners should submit requests in advance and notify staff. For special circumstances, the reason should be stated during the meeting. A majority of the commission must still attend in person at the meeting location.

listed on the agenda. All meetings must be open to the public, and the public must be able to observe and provide comments either in person or remotely.

WORK PLAN

A commission work plan is established annually to guide staff workflow and ensure that the commission's activities align with City Council priorities, as well as the department's strategic goals and objectives. This approach is used to set the agenda, prioritize initiatives, allocate resources effectively, and monitor progress throughout the year. The work plan serves as a framework for decision-making, promotes accountability, and ensures that the commission remains focused on achieving measurable outcomes that benefit the community.

New elements to the work plan should be introduced on an occasional basis and only in response to timely or emerging needs, rather than added routinely. All commission work plan items should align with [Council's adopted goals and vision strategy.](#)

AGENDAS

Each commission has a staff liaison responsible for preparing agendas in consultation with the Chair. If a commissioner or staff member intends to bring up an item for discussion or action, the item must be included on the agenda in accordance with the Brown Act. For each meeting, a date should be scheduled for the Chair and staff liaison to set the agenda. The staff liaison will set aside time to work with the Chair on the agenda. If the Chair is unavailable, some items may be deferred, and staff will proceed with publishing the agenda according to established deadlines. The Chair should make reasonable efforts to coordinate with the staff liaison. Commissioners can propose agenda items within the purpose of the commission to the staff liaison prior to the agenda setting date. No agenda item requiring preparation of a staff report may be scheduled without approval of the City Manager or their designee.

Agenda items shall be policy in nature and not operational, ensuring that the commission's role remains focused on providing guidance rather than engaging in day-to-day administrative functions.

Future Agenda Setting

The staff liaison will maintain a list of future agenda items that the commission plans to discuss. The Chair, the staff liaison, or any two commissioners can add an agenda item within the commission's purpose to the future agenda item list and it will be scheduled at the discretion of the Chair and staff liaison. To provide commissioners an opportunity to discuss whether to add an item to the future agenda item list, each regularly scheduled agenda will include a "Future Agenda Setting" item. The Chair and staff liaison will strive to include suggested agendas for at least two upcoming meetings, as well as other to-be-agendized items. Once an item is added to the future agenda item list, it cannot be removed until it is discussed for removal at a regularly scheduled meeting during the item for "Future Agenda Setting." In addition, the item will not be removed if the Chair or at least two commissioners wish for the item to remain on the future agenda item list.

Staff Updates and Commissioner Activity Report

Each regularly scheduled agenda will also include a "Staff and Commission Reports" item for staff to report on updates and the members to provide a concise report on any activities they have taken part in related to the commission since the prior regularly scheduled meeting.

PREPARATION FOR MEETINGS

- Thoroughly review the agenda packet, including agenda reports, and any other materials *before* the meeting. Check if you may have a conflict of interest with any of the items due to property or monetary interests. If it is unclear, the commissioner can explain the situation to the staff liaison who can seek legal counsel from the City Attorney. For more information on conflicts of interest, please review [the Fair Political Practices Commission \(FPPC\) Conflicts of Interest Rules](#).
- Understand what action you are being called upon to take for each particular agenda item.
- Contact the Chair or your staff liaison before the meeting to clarify questions about the agenda or request further information.
- Members are expected to check their emails regularly for meeting notices and updates.
- Understand the responsibilities of your commission. As a member of an advisory body, you will be asked to provide recommendations to the City Council about specific issues. Keep in mind that your appointment does not empower you to supervise or direct City staff.

MINUTES

The approved minutes are placed on file by the City Clerk for public access. Commissions should strive to keep summary minutes as opposed to action minutes, unless automatic transcription of the meeting is available. If automatic transcription is made available to supplement official minutes, action minutes may be sufficient.

PROCEDURE

Commissions follow the guidelines on parliamentary procedure contained in [Rosenberg's Rules of Order](#) (Rules). These Rules outline how motions are made and the basic format for an agenda item discussion.

DECORUM AT MEETINGS

- Discourage outward signs of agreement or disagreement from the audience such as cheering or clapping. Such demonstrations can intimidate those wishing to express alternate views and delay the meeting. Also see Conduct of Members in the [Cupertino Ethics Code](#).
- Limit your own comments to the issues before the commission. Avoid the appearance of straying from the subject or "grandstanding".

BASIS FOR YOUR DECISION

Commission decisions should be based principally on the information presented to you in the open public meeting process. If you collect pertinent information outside of the public process through a meeting with stake holders or site visits, you should share that information with your fellow commissioners in the public meeting. This sharing of information will ensure that other commissioners and members of the public have a better understanding of the rationale for your decision.

Commissioners are free to meet or refuse to meet with residents, resident groups, developers or prospective contractors, or any persons outside of the public meeting process concerning issues before the commission. Commissioners shall disclose any ex parte contact with parties to or participants in a quasi-judicial matter. (A quasi-judicial matter is typically a

hearing in which a commission hears evidence and makes findings of fact to reach a conclusion based on the applicable law.) Commissioners are encouraged to disclose meetings with other individuals that provide information upon which to base the commissioners' decisions.

All quasi-judicial procedures and process must follow due process and allow an affected party a right to be heard, and to present controverting fact or testimony on the question of right in the matter involved. Unfair determinations, such as bias, predetermination or refusal to hear an issue, may invalidate actions.

Keep an open mind. An objective, balanced, and receptive approach will help you assess the facets of a given issue and evaluate new ideas. When receiving written and oral public testimony it will be necessary to discern between fact and opinion, as well as between those concerns which are relevant and those which are secondary to the issue at hand. Keeping an open mind will make it easier for you to understand all sides of an issue before you make a judgment or take a position.

RECOMMENDATIONS AND REPORTS TO CITY COUNCIL

The Chair shall select a member to represent the commission at any City Council meeting where a commission recommendation is agendaized for discussion. The commissioner selected by the Chair as the commission representative should represent the position of the commission as a whole at the meeting. Each commission shall prepare an annual report on its activities for the City Council.

CITY WORK PROGRAM

The City Council approves an annual City Work Program to guide the work of the City. Commissioners are encouraged to review current City Work Program items and send their recommendations for additional items within the scope of the commission's jurisdiction to City Council for their consideration. Ultimately the City Council will determine the final items on the City Work Program. Since the City Council sets the City Work Program to guide the priority efforts in the City, commission work plans and agendas should be aligned accordingly.

COMMUNICATIONS

Staying Informed

Commissioners should [sign up for City email notifications](#) to stay informed of various community events and public meetings.

The City uses social media outlets, surveys, email notifications, the Scene, and the City website for outreach to the community. For appropriate conduct on social media, see the City's [Social Media Policy](#).

USE OF CITY EMAIL

All newly appointed City commissioners will be assigned a mandatory City email address after reviewing and signing the Technology Use Policy. Commissioners are required to inform Information Technology (helpdesk@cupertino.gov) and the staff liaison of any travel outside of the United States at least 2 business days prior to the said travel.

As noted under the Brown Act, care should be taken with regard to emails. Never select "Reply All" to an email to all commissioners or forward an email sent to you by one commissioner to another commissioner since that might constitute a quorum. All questions and concerns should be directed to the Chair and staff liaison.

All City emails are subject to the Public Records Act, and you should use your City email to communicate about any matter within the jurisdiction of your commission. Emails sent from a personal email account, including those from a personal device, are also subject to the Public Records Act to the extent they address a matter related to your commission's jurisdiction. Please use your City email when communicating to enhance efficiency and transparency, and add the text below to any email sent from your City email with your unique information replacing the bracketed language. The simplest method to ensure the text is included is to add an automatic signature to your City email account.

"I am [TITLE] of the [NAME OF ADVISORY BODY] of the City of Cupertino. The [NAME OF ADVISORY BODY] is an advisory body to the City Council of the City. I am not an authorized agent of the City, nor do I have authority to represent the City or the City Council.

When advocating or discussing a matter within the scope of your commission's jurisdiction, please ensure that the email cannot be construed as representing the views of the full commission. Please do not forward or reply to a City email from your personal email address. Once your term on the commission is over, your City email will be terminated.

RESOURCES

Commissioners should familiarize themselves with the following resources:

City policies relating to ethics, social media, commissions, diversity, resident communication with staff, and technology, as well as the City organizational chart, a Rosenberg's Rules of Order cheat sheet, and other resources can be found online in the [Commission Resources folder](#).
