## CITY COUNCIL STAFF REPORT

Meeting: April 15, 2025

### Subject

Future agenda items requested by City Councilmembers

### Recommended Action

1. Review the future agenda items list and adopt the staff recommendations for items 1-13
2. Provide direction for items 14-18

### *Reasons for Recommendation and Options*

As required per the Council's adopted Procedures Manual, the City Manager provides a quarterly report to Council regarding the status of future agenda items. These are items that at least two Councilmembers have requested to be added to a future City Council agenda.

### *Background*

On February 4, 2025, staff presented a list of 16 items for Council consideration. Council voted on the next steps for each item (described in Attachment A) and removed three items from the list.

Since then, Council has added five additional items to the future agenda items list for consideration.

The updated list is included as Attachment B with staff recommendations for items 1-13. Staff is seeking Council direction for items 14-18. A majority vote of the City Council can either agendaize an item for discussion at a future date or remove an item from the list, as outlined in the Council Procedures Manual.
