

CITY COUNCILMEMBER REPORT

Meeting: April 15, 2025

Reporting Councilmember: Councilmember Sheila Mohan

Report Dates: 3/25/25 to 4/7/25

Item Date, Title, and Description:

3/28/25: Attended a prep session organized by City staff on the next fiscal year's **Capital Improvement Projects (CIP)**. Staff presented details of projects that will be completed in this fiscal year, projects that have been put on hold by Council, and future capital needs of the City.

3/28/25: West Valley Community Services (WVCS) held its annual **Chefs for Compassion** event at the Computer History Museum. This was a well-attended gathering of community leaders, business executives, and elected officials from several Bay Area cities. WVCS highlighted the need for housing and housing-related services for the less fortunate members of our community. Speakers shared their personal stories of economic hardship and community support that helped overcome their difficult circumstances.

4/3/25: Met with Kevin Choy, developer of **20807-20883 Stevens Creek Blvd** Housing Project. The developer presented details of the housing proposal which is a mix of single-family homes and townhomes. I pointed out the importance of Panera and Voyager to the community, and urged them to explore ways of retaining both, despite the financial challenges it likely presented.

4/5/25: Attended the City's Earth **and Arbor Day Festival** at the Library Field. An enjoyable event with food trucks, vendor booths, and community participation in dances, exercise and music.

4.7/25: Attended a meeting with an executive from **Related Companies**, one of the three developers of the Westport project re: their proposed amendment to add units, reduce parking, reduce retail space and eliminate park fees. The

presentation was purely informational and developer had plans to meet up with the other council member during the course of the week.
