Reporting Councilmember: Councilmember Sheila Mohan

Report Dates: 1/27/26 to 2/9/26

Item Date, Title, and Description:

1/28/26 In my capacity as a **Santa Clara Valley Water Commissioner**, I attended the first quarterly meeting of the Commission. The Commission reviewed last year's work plan, and Staff provided an update on accomplishments. The Valley Water's Water Supply Master Plan 20250 was also discussed. This is the guiding document to ensure long-term water supply investments to ensure water reliability in the County. Water conservation, recycling, completing the Sisk Dam seismic retrofits are some of the issues critical to water sufficiency in our region.

1/30/26 Attended the ribbon-cutting ceremony of **NaiSnow**, a store specializing in natural, health-based tea and tea products including boba. This is NaiSnow's first location on the West Coast. Vice Mayor Chau and City staff also attended the opening ceremony.

2/26/26 Participated in a one-on-one meeting with **Kevin Duggan**, in preparation for the Council retreat on February 28.

2/8/26 Inaugurated 17th **2026 Youth Convention** hosted by Maitri. The theme was Youth and Mental Health, and I made some

remarks about Cupertino's activities for teens and young people including the upcoming Teen Resources Fair on March 21, and stressed the importance of staying connected and building strong relationships to alleviate anxiety and stress.
