[re]DESIGN Terms and Conditions

1. Process of Quoting and Ordering

Customer may request a quote through [re]DESIGN for any products from associated vendors. Quoted prices are effective until the expiration date of the Quote. Customer may place an Order for the offerings quoted by (i) issuing a Customer Purchase Order that references such Quote and, if applicable, contract code or (ii) executing [re]DESIGN Quote in the form of signature and date. Orders may be returned if product arrives damaged, missing items, or is incorrect based on agreed upon Quote.

2. Product Delivery, Shipment, Transfer of Risk & Title & Acceptance

2.a Shipment; Unless otherwise agreed, [re]DESIGN will arrange for shipment of the ordered products to the ship-to address indicated by Customer. Delivery dates are indicative and will be provided as soon as available, updates provided to Customer directly by [re]DESIGN. Software may be provided by delivery of physical media or through electronic means to the email address provided by Customer. Customer shall notify [re]DESIGN within 21 days of invoice date if Customer believes any product included in the order is missing, wrong, or damaged and shall ensure that the intended installation site meets the specifications as per the product documentation.

2.b Transfer of Risk and Title; Costs Risk of loss for equipment and physical media transfers to Customer upon delivery. Title to sold Equipment passes to Customer upon delivery. "Delivery" for equipment occurs when carrier completes delivery at Customers designated point of shipment. "Delivery" of software occurs either when Customer is notified by [re]DESIGN that software is available for download, or when carrier completes delivery at Customers designated point of shipment. Unless otherwise agreed, cost of transit insurance on behalf of Customer shall be included in the total price on the stated Quote.

2.c Acceptance; All products will be deemed to be accepted upon Delivery. Customer may return products if damaged, missing items, incorrect per Quote agreed upon.

3. Invoicing, Payment Terms, and Taxes

3.a Invoicing; [re]DESIGN shall invoice Customer in the currency agreed in the Order. If Customer is tax exempt, customer must provide tax exemption letter to [re]DESIGN. Otherwise, [re]DESIGN is obligated by applicable law to collect and remit any taxes or fees from Customer on final invoice for Order. It will be added as a separate line item in accordance with statutory requirements. [re]DESIGN will invoice Customer on Net30 terms from date of shipment of Order. All invoice terms will be deemed accurate unless Customer advises [re]DESIGN within 10 days following receipt.

If Customer advises [re]DESIGN of a material error, (a) any amounts corrected by [re]DESIGN shall be paid by Customer within 14 days of correction, and (b) all other amounts shall be paid by Customer by the due date. If Customer withholds payment because Customer believes an invoiced amount is incorrect, and [re]DESIGN concludes the amount is accurate, Customer must pay interest of 1.5% on the unpaid disputed amount from the due date until [re]DESIGN's receipt of payment. Customer may offset, defer or deduct any invoiced amounts that [re]DESIGN determines are incorrect following the notification of the process started above.

3.b Payment Terms; Customer shall pay [re]DESIGN's invoices in full and in the same currency as [re]DESIGN's invoice within the time noted on [re]DESIGN's invoice. Standard terms are Net30. Any invoice amounts not timely paid will be subject to a daily interest charge, at the prorated amount of 1.5% per month, or at the highest interest rate allowable under California law.

3.c Taxes; The charges due hereunder are exclusive of, and customer shall pay or reimburse [re]DESIGN for all value added (VAT), sales, use, excise, withholding, personal property, goods and services and other similar taxes, governmental fees, levies, customers and duties resulting from Customer's purchase, except for taxes based on [re]DESIGN's net income, gross revenue, or employment obligations. If Customer qualifies for tax exemption, Customer must provide [re]DESIGN with a valid certificate of exemption or other appropriate proof of exemption. If customer is required to withhold taxes, then Customer will within 60 days of remittance to the applicable tax authority provide [re]DESIGN with satisfactory evidence (e.g., official withholding tax receipts) that Customer has accounted to the relevant authority for the sum withheld or deducted. Otherwise, [re]DESIGN will charge customer for the amount that Customer has deducted for the transaction.

In addition to the foregoing terms, this Quote, as it relates to the Dell Technologies items, is governed by and subject to the Commercial Terms of Sale available at https://i.dell.com/sites/csdocuments/Legal_Docs/en/dell_commercial_terms_of_sales.pdf and available in hard copy upon request and is incorporated in its entirety in this Quote and which the Customer acknowledges having read and agrees to be bound by such online terms.
