Report Dates: 1/27/26 to 2/9/26

Item Date, Title, and Description:

Event 1. January 27, 2026 – **Celebrity Storytime at the Cupertino Library** – At the invitation of the Library District, I read from *Thank You, Neighbor* by Ruth Chan to some of our youngest residents as part of Silicon Valley Reads 2026.

Event 2. January 28, 2026 – **Cupertino Chamber of Commerce Science & Technology Speaker Series** – I attended an informative talk featuring Jerry L. Davis, a cybersecurity expert, on the use, hazards, and challenges to cybersecurity at the dawn of the era of AI.

Event 3. January 29, 2026 – **IGL Lunch & Learn on SB 707** – I attended a seminar hosted by the Institute for Local Government on new Brown Act standards under the recently-enacted SB 707, which expands public access to public meetings and further modernizes remote access standards for public officials.

Event 4. February 4, 2026 – **Meeting with the City Manager** – I met with City Manager Tina Kapoor to go over upcoming council agenda items, items of interest, and issues raised by residents

Event 5. February 5, 2026 – **State of the District Address** – I attended the annual State of the District address hosted by the Cupertino Union School District. In addition to the wealth of additional information on the District's condition and performance, invitees were provided with tours of multiple schools. As part of that tour, I was taken to Lincoln and Muir (CLIP). It was especially endearing to return to my kindergarten classroom at Lincoln Elementary School after more than 40 years. The desks have changed, and the color scheme is updated, but the tables are still the same!

Event 6. February 9, 2026 – **Meeting with the City Manager** – I met with City Manager Tina Kapoor to go over upcoming council agenda items, items of interest, and issues raised by residents
