Subject: FOURTH OF JULY FIREWORKS

Dear CM Wu, CDA Woo, Director Saner,

Based on the response from Sand Hill and the availability at Hyde, it appears that the best venue will be Hyde Middle School.

At this moment, project status is the following:

1. Funding - secured
2. Venue - evaluated and recommended - Hyde
3. Vendor - City in discussions with Pyro Spectaculars and other providers
4. Permits - Parks and Rec

On behalf of Vice Mayor Moore and myself, our recommendation is to go with Hyde but we are open to hear any other input from Director Sander or CM Wu on venue.

Look forward to providing this update to the rest of the City Council and public at the appropriate time.

Thank you for all your hard work.
