Hi Team,

I have been a resident of Cupertino for the past 18+ years and live in a very safe and beautiful neighborhood of Cupertino. But safety is no longer an attribute of Cupertino anymore.

I was a victim of house burglary 6 months ago with over 25k of loss and many homes round me have also been the victim of burglaries and car breaks ins.

- 1) What measures has the police department taken to address the rise in burglaries
- 2) Has there been increase in police patrols or surveillance
- 3) How many arrests have been made in connection with the burglaries and car break ins in Cupertino
- 4) Is there a dedicated task force or special unit handling these cases
- 5) Streets with neighborhood watch and signs posted on their streets are also being burglarized. What else is left to be done by the residents.

Nextdoor has posts every day of burglaries and breaks ins and doesn't seem like anything is being done.

Thanks
