Summary: The California Constitution provides that the electors may propose a statute or an amendment to the California Constitution by initiative and approve or reject a statute by referendum. An initiative measure may be proposed by presenting to the Secretary of State a petition that sets forth the text of the proposed statute or amendment to the Constitution and is certified to have been signed by the required number of electors, as prescribed. A referendum measure may be proposed by presenting to the Secretary of State a petition that sets forth the statute or part of the statute to be submitted to the electors, and is certified to have been signed by the required number of electors. Before the circulation of an initiative or referendum petition for signatures, the California Constitution requires that a copy of the petition be submitted to the Attorney General, who must prepare a title and summary of the measure. Existing statutory law also directs the Attorney General to prepare the ballot label and the ballot title and summary that is included in the state voter information guide for each measure that appears on a statewide ballot. This measure would transfer from the Attorney General to the Legislative Analyst the duty of preparing the title and summary for a proposed initiative or referendum. The measure would also require, for each measure that appears on a statewide ballot, the Legislative Analyst to prepare the ballot label and the ballot title and summary for the state voter information guide.

The bill would prescribe a compliance schedule for satisfying these requirements, which would exempt a county with a population of less than 150,000 and all cities within a county with a population of less than 150,000.

Summary: Current law authorizes the Department of Tax and Fee Administration to require the filing of reports by any person or class of persons with information relating to sales of tangible personal property, the storage, use, or other consumption of which is subject to the use tax, as specified. Current law requires a retailer or purchaser subject to the sales and use tax to file, on or before the last day of the month following each quarterly period, a return for the preceding quarterly period. This bill, for reporting periods beginning on or after January 1, 2022, would require a qualified retailer, defined as a retailer whose annual qualified sales of tangible personal property transacted online exceeded \$50,000,000 for the previous calendar year, to include with each tax return a schedule that reports for each local jurisdiction the gross receipts from the qualified sale of tangible personal property shipped or delivered to a purchaser in that jurisdiction.

Summary: Current law authorizes the members of the legislative body conducting the meeting to order the meeting room cleared and continue in session, as prescribed, if a group or groups have willfully interrupted the orderly conduct of a meeting and order cannot be restored by the removal of individuals who are willfully interrupting the meeting. This bill would authorize the presiding member of the legislative body conducting a meeting to remove an individual for willfully interrupting the meeting. The bill, except as provided, would require removal to be preceded by a warning by the presiding member of the legislative body that the individual is disrupting the proceedings, a request that the individual curtail their disruptive behavior or be subject to removal, and a reasonable opportunity to cease the disruptive behavior. The bill would similarly require a warning, a request that the individual curtail their disruptive behavior or be subject to removal, and a reasonable opportunity to cease the disruptive behavior before clearing a meeting room for willful interruptions by a group or groups. The bill would define "willfully interrupting" to mean intentionally engaging in behavior during a meeting of a legislative body that substantially impairs or renders infeasible the orderly conduct of the meeting in accordance with law and applicable rules, as specified.
