Hi, my name is Haziq, and I am a seventh-grade student at the Tessellations School in Cupertino. I would like to present a topic of my personal interest to the city council regarding animal abuse. I'm working on a project in social studies on animal abuse, and for my call to action, I want to bring my topic to the city council and seek guidance on where we can report victims of this abuse in our city. Please allow me to showcase this topic in today's meeting.

Regards
Haziq
