Summer Programs and
Events

Blackberry Farm Update and Summer Events

October 7, 2021

Parks and Recreation Commission

CUPERTINO

1

Agenda

- Blackberry Farm (BBF) Season Update
- Summer Events and Festivals
- Upcoming Events

2

BBF Swimming Reservations

- Hours
 - Tuesday - Friday noon to 6 p.m.
 - Saturday - Sunday 10 a.m. to 6 p.m.
- 11,486 total swimmers
 - 5,019 R/6,467 NR

3

BBF Learn to Swim

- **June 19 – August 6 - 318 total lessons**
 - Private Lessons
 - 107 R/18 NR
 - Semi-Private Lessons
 - 138 R/22 NR
 - Parent/Tot Lessons
 - 30 R/3 NR

4

BBF Picnic Reservations

- June 15 – July 16
 - One reservation per day
- Beginning July 17
 - Multiple reservations per day
- 82 total reservations
 - 50 R and 32 NR

5

BBF Pooch Plunge

- Saturday, October 2
- 9 a.m., 10 a.m., and 11 a.m.
- \$5 per pooch
- 109 dogs registered
 - 49 R/61 NR

6

Big Dogs...

7

Little Dogs...

8

Summer Events and Festivals

9

July 4th Pancake Breakfast

- Quinlan Community Center
- Optimist Club of Cupertino

10

Summer Concerts

- *Memorial Park Amphitheater*
 - 6:30 p.m. to 8 p.m.
- July 15 – *The Cocktail Monkeys*
- July 22 – *Phil 'n the Blanks*
- July 29 – *Careless Whisper*
- August 5 – *Aja Vu*
- August 12 – *The Peelers*

11

Movies in the Park

- Creekside Park
 - 8 p.m.
- August 20 – *Coco*
- August 27 – *Honey, I Shrunk the Kids* (canceled)
- September 3 – *The Greatest Showman*

12

Shakespeare in the Park

- Memorial Park Amphitheater
 - 4 p.m., 90 minute show
- October 2, 3, 8, 9, 10

13

Festivals

- Aug 14 - Kids 'n Fun
- Sept 11 - Silicon Valley Day 'n Night Fun Fest

14

Upcoming October Events

- 9 – **Bobateeno** – Noon to 3 p.m.
 - *Registration required reg4rec.org*
- 16 – **Diwali Festival** - 11 a.m. to 6 p.m.
 - *Admission is free*
- 29 - **Monster Mash** – 7 p.m. to 8:30 p.m.
 - *Registration required reg4rec.org*

Update on the Dog Off
Leash Area Trial at
Jollyman Park and Review
of the Administrative
Policy for the Ongoing
Program

Dog Off Leash Area at Jollyman Park

Parks and Recreation Commission

October 7, 2021

CUPERTINO

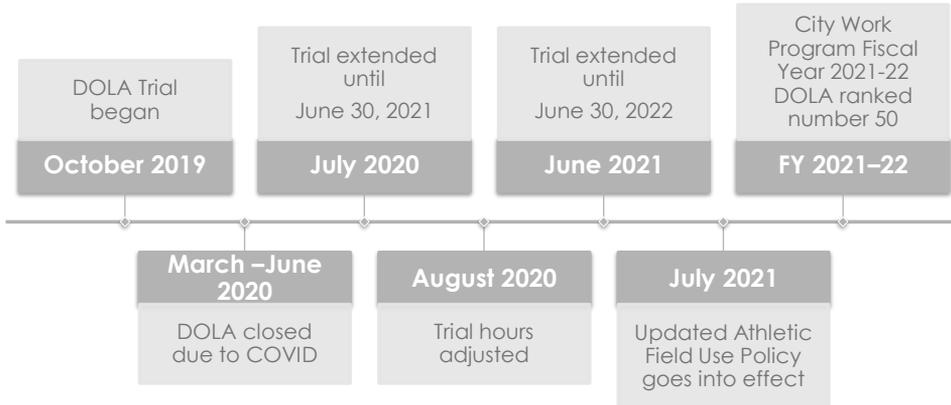

1

Agenda

- Background
- Painted Dog Off Leash Area (DOLA) Boundary
- Data Collected
- Next Steps
- Recommended Action

2

Background

3

4

Data Collected

- Staff returned in-person middle of July
- Observation log statistics
 - DOLA hours and Non-DOLA hours
- Incident logs
 - City's 311 App
 - Code enforcement
 - San Jose Animal Control
 - Sheriff's Office

5

Observation Data

- 24 observations
 - One-third of the time during DOLA hours
 - Owners cleaned up after their pets
 - Park users, youth sports groups, DOLA users co-existed with minimal incidents
 - Adherence to the DOLA rules
 - One Youth Sports Group Incident

6

Next Steps

- Conclude trial
- Move forward with ongoing program
- DOLA Administrative Policy
 - No change to DOLA trial rules
 - Violations based on Muni Code
- Additional DOLA sites
 - At least one year of review

7

Recommended Action

Receive an update on the Dog Off Leash Area trial at Jollyman Park and provide feedback and input on the Administrative Policy for the ongoing program.

8

Questions

Jollyman Park DOLA Group Presentation

Parks and Recreation Commission Meeting
October 07, 2021

1

Thank You

- ▶ Thank you Joanne for
 - ▶ Recommending JM DOLA for permanent status
 - ▶ meeting with the DOLA frequently and
 - ▶ inviting a DOLA representative to be on this panel today
- ▶ Thank you Greg for meeting with DOLA residents and listening to our perspective.
- ▶ Thank you Commissioners for your crucial support & encouragement for JM DOLA and it's eventual permanent status.
- ▶ Thank you Councilmembers for always being supportive and facilitating this process.

2

JM DOLA Has Partnered With the City Since 2017

2017	In collaboration with the city and the community, JM DOLA residents researched, petitioned, surveyed and gathered information
Feb 2018	We presented to the Parks and Recreation Commission for the first time.
March 2019	We presented to the City Council again. Council <u>unanimously approved a JM DOLA trial</u> . Presentation with all its data is available as DOLA Addendum 1 to this meeting. It shows the extensive, in-depth work and data collected by DOLA residents from 2017-2019.
October 1, 2019	A <u>10 month JM DOLA trial</u> officially began and has been renewed twice.
Oct 7, 2021	Today, <u>two years</u> later, the Parks and Recreation Commission is meeting to consider a recommendation to vote to make the DOLA permanent.

3

DOLA Data Collection since Trial Began in 2019

- ▶ We have been faithfully collecting JM DOLA data since November 2019. DOLA Data Log -Addendum 2 shows our data collection.
- ▶ To date there are 139 separate observations, backed up by time-stamped photos provided by different DOLA users.
- ▶ Observations include counts of number of dogs and people, date and time of collection, what and whether there were any adjacent activities occurring with the DOLA.
- ▶ **Showing reliability of data**, sometimes different observations were made on the same day at similar or different times by different observers.
- ▶ To insure **validity of data**, the raw data from observations were **only entered by four trained DOLA leaders** onto the DOLA Data Log.

The observation data collection by JM DOLA will continue indefinitely until the DOLA achieves permanent status from the Cupertino City Council.

4

No Serious Incidents Since 2017

- ▶ Further data to support JM DOLA is that there have been no serious incidences or occurrences in the DOLA from 2017 to the present.
- ▶ We are self monitoring and even have a DOLA “sheriff” who daily ensures rules are being followed including boundaries and appropriate behaviors.
- ▶ Close reading of data from the Sheriff’s Office, 311, Code Enforcement, San Jose Animal Control, show NO SERIOUS INCIDENTS AT DOLA SITE since 2017.

5

No Conflicts with Sports Activities Since 2017

- ▶ The DOLA Data Log since 2019 documents the very light use of the athletic field next to the DOLA. The athletic field next to DOLA historically has never been heavily used.
- ▶ The updated Field Use Policy was implemented in July 2021. Since then, there has been a decline in field use.
- ▶ In July and August 2021, there were no permits issued for the field adjacent to DOLA.
- ▶ In September 2021, only 2 hours once a week was permitted. Field use ended 2 hours before DOLA.
- ▶ DOLA leaders interviewed Sports Team Coaches who stated that the updated Field Use Policy made it too expensive for them to apply for a Cupertino permit

Since 2017, when occasional athletic activity has occurred, the DOLA has always operated without any complaints or difficulty from adjoining activities.

6

JM DOLA Discussion Is Specific to the JM DOLA Only

- ▶ JM DOLA leaders are only asking for recommendation for **JM DOLA** permanence.
- ▶ Future DOLAs at other parks were never discussed between City staff and JM DOLA. JM DOLA residents cannot and do not speak for residents near other city parks.
- ▶ The City Council had already put future DOLAs on the City Workplan for 2022-2023

7

No Issues Anticipated in the Future

- ▶ Any potential future changes in COVID restrictions will not increase interference or difficulties between groups outdoors.
- ▶ The data from 2017 to 2019 **before** COVID and from 2020 to present **during COVID** document this.
- ▶ In the future in the winter, **if** the Parks Department wants to adjust the winter hours for JM DOLA and/or adjacent athletic field use, the DOLA will readily accept that.

8

Extensive Work, Documentation and Data Support Recommendation of JM DOLA for Permanent Status

- ▶ We have been working diligently in good faith in collaboration with the City since 2017.
- ▶ With our supporting work and data collections, we are asking for your recommendation for JM DOLA Permanent Status to the City Council.
- ▶ Thank you

Jollyman Off Leash Dog Hours Proposal

March 5, 2019

Brought to you by...

- This is a proposal put together by dog owners in Cupertino City for improving the playing/socializing/exercising conditions for dogs and people in Cupertino.
- Included in this proposal is a [petition](#) with 750+ signatures from Cupertino residents in support - the petition drive is ongoing.
- And.. the approximately 11,680 dogs of Cupertino

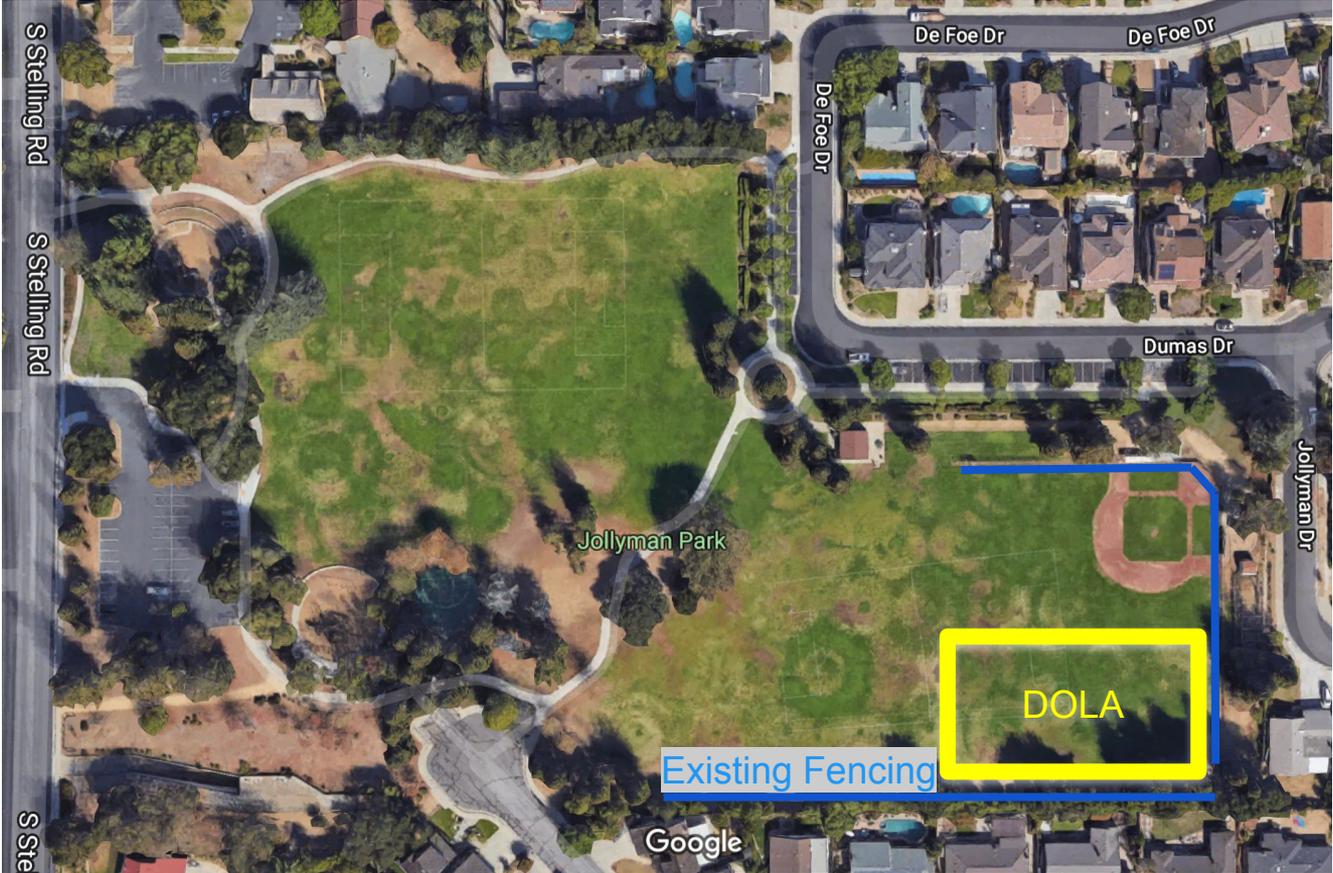

Request

- To establish off-leash dog hours in the south-east portion of Jollyman Park where well-behaved canine citizens can exercise in a clean, safe environment without endangering or annoying people, property or wildlife.
- To keep the space open to all dog lovers and friends who are willing to uphold the park's rules and restrictions.
- To view this as a community project, in partnership with the City of Cupertino, designed to satisfy the needs of dog-owners and non-dog owners alike.
- To provide a safe, friendly environment for the numerous friendly dogs in the local Jollyman Park so they can exercise and stay healthy and happy.
- By allowing for 2 hours of off leash dog activity in the south-east portion of Jollyman Park, one hour each before & after sunset in an area already enclosed on 3 sides.

Logistics

- Start a 6-month trial for off-leash hours at the south-east portion of Jollyman Park (see map)
- Off leash hours can be 1 hour before sunset to 1 hour after sunset (2 hours in total) daily. These recommended off leash hours do not interfere with children's games or the citizens partaking of that area of the park.
- Off leash hours will not begin until Little League games have concluded during the season.
- We will meet with the city or its representatives on a regular (monthly) basis to update the status of the trial
- The only investment being requested is a sign with guidelines, alternatively we can volunteer to hand out leaflets during the trial period

Map

Yellow -
requested
area (220 x
120 ft)

Blue -
already
fenced

Precedents

- The neighboring City of Mountain View has a successful off leash dog program in 8 parks
 - Off leash hours range from 6am-10am, 5pm to sunset and 6am - sunset
 - [City of Mountain View Off-Leash Dog Venue Study](#)
 - [City of Mountain View Dogs in Public Parks](#)
 - [Relevant Mountain View City Code](#)
 - Per discussion with the Mountain View Parks and Recs Dept:
 - Most complaints are from people who do not realize there are permitted off leash areas.
 - Dog owners enforce themselves.
- Other local cities with off leash dog parks without fencing, shared with others
 - Redwood City, [Stulsaft Park](#)
 - Menlo Park, [Nealon Park and Willow Oaks Park](#)
 - San Carlos, [Heather Dog Exercise Area](#)
- Portland, OR is another example, with 33 off leash dog areas inside city parks

Cooper Park - Mountain View

Monday - Friday
6am - 10am

(City of Mountain View, Dogs in City Parks, <http://www.mountainview.gov/depts/cs/parks/parks/dog.asp> ,
[as of Jan 28, 2018])

Eagle Park - Mountain View

Monday - Friday
6am - 10am

(City of Mountain View, Dogs in City Parks, <http://www.mountainview.gov/depts/cs/parks/parks/dog.asp> ,
[as of Jan 28, 2018])

McKelvey Park - Mountain View

Monday - Friday
6am - 10am

(City of Mountain View, Dogs in City Parks, <<http://www.mountainview.gov/depts/cs/parks/parks/dog.asp>> ,
[as of Jan 28, 2018])

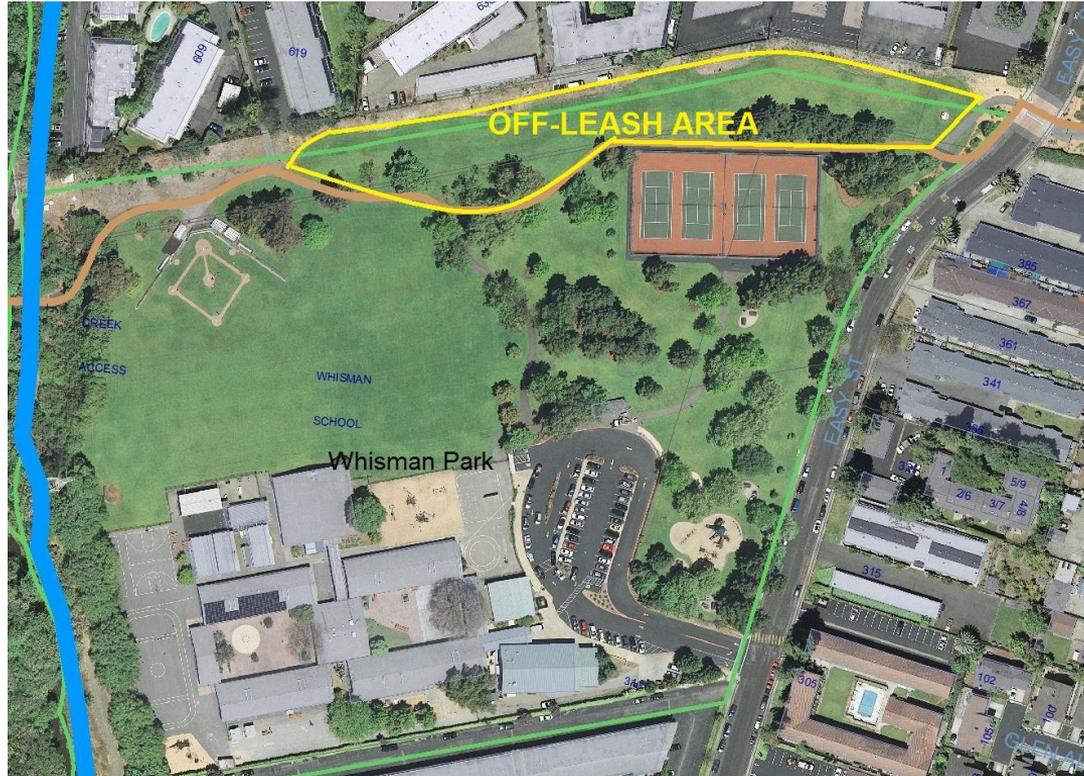

Cuesta Park - Mountain View

Monday - Sunday
6am - Sunset

(City of Mountain View, Dogs in City Parks, <<http://www.mountainview.gov/depts/cs/parks/parks/dog.asp>> ,
[as of Jan 28, 2018])

Whisman Park - Mountain View

Monday - Sunday
6 AM – 10 AM
5 PM – sunset

(City of Mountain View, Dogs in City Parks, <<http://www.mountainview.gov/depts/cs/parks/parks/dog.asp>> ,
[as of Jan 28, 2018])

Guidelines for Off Leash areas usage

- Keep your dog on leash unless in the designated off-leash area during off-leash hours.
- Respect other park users. Stop bothersome behavior immediately. If one cannot control the dog, they should leave the area.
- Keep your dog under voice control.
- Use the plastic bags to clean up after your dog.
- Report dog bites/incidents immediately to the Silicon Valley Animal Control Authority (408) 764-0344

Liability - Solely with Dog Owners, not City

- Assembly Bill 265 (2014) provides that dog owners and *not* local municipalities are liable for dog behavior
- The authors of the bill [stated](#)
 - “With no guarantee that they will not be pulled into lawsuits over incidents at dog parks, cities often vote against opening a dog park for their residents. This bill seeks to give cities and counties the explicit assurance they need that they will not be liable for dog bites if they open a dog park.”
 - (Bill Analysis, http://leginfo.legislature.ca.gov/faces/billAnalysisClient.xhtml?bill_id=201320140AB265), [as of Jan 2, 2018])

Why do we need a place for our dogs?

Dog Socialization

- Dogs have fun!
 - Dogs are like us, highly social animals, and many enjoy spending time with other dogs.
- Dogs learn to interact with other dogs
 - At the dog park, dogs practice reading a variety of other dogs' body language and using her own communication skills, and she gets used to meeting unfamiliar dogs on a frequent basis.
- Dogs that are socialized are less aggressive
 - These valuable experiences can help guard against the development of fear and aggression problems around other dogs and humans.

Physical and Mental Exercise

- Dogs can zoom around off-leash to her heart's content, investigate new smells, wrestle with her dog buddies and fetch toys until he/she happily collapses.
- Research shows that dogs need exercise as they are naturally bred for it. They are not built to be kept on-leash or inside apartments.
 - <https://pets.webmd.com/dogs/guide/exercise-dogs#1>.
 - https://www.petmd.com/dog/wellness/evr_dg_exercising_with_your_dog1_01
 - <https://www.forbes.com/sites/nextavenue/2015/11/01/how-much-exercise-does-your-dog-really-need/#5b5ed3c122e2>

Humane Society support of dog exercise

“In the past the hunting, herding, and guarding roles of dogs provided opportunities for companionship with other dogs and humans, as well as plenty of vigorous exercise. Exercise, in addition to improving the physical health of our dogs, also improves their mental health. Today many dogs spend a large portion of their day alone and inactive, and the stress of this abnormal lifestyle can result in many undesirable outcomes: obesity, self-mutilation, digging, chewing, soiling, barking, escaping . . . Dogs are social animals, and those who are allowed to interact with other dogs and people, and taught appropriate behavior in social groups, are better behaved and more likely to be included in other activities with human companions. (Humane Society of the United States, Dog Parks and Their Benefits <www.humanesociety.org/assets/pdfs/pets/dog_parks.pdf>[as of June 4, 2013].)”

Human Socialization

- **Safety and Neighborhood Watch**
 - People using the park make it safer, they come regularly and get to know one another. They share information about the comings and goings of the neighborhood.
- **Builds sense of community and belonging**
 - Dog owners are not the only ones who participate. Non-dog owners benefit from finding new friends in the area, or connecting with their neighbors in a different environment.
- **Creates a safe space for seniors and the disabled with dogs**
 - People with disabilities, senior citizens, and other pet owners who cannot walk their dogs in their immediate environment have a safe place to exercise their dogs
- **Kids who do not have pets can interact with the dogs**
 - Dog parks are an opportunity for kids (or adults!) who do not have dogs to interact with them in a safe environment.
- **Enjoyment for dog owners**
 - Dogs aren't the only ones who enjoy dog parks. People do, too. They can exercise their dogs, socialize with other dog lovers, bond and play with their dogs, practice their off-leash training skills, and enjoy the entertaining antics of frolicking dogs.

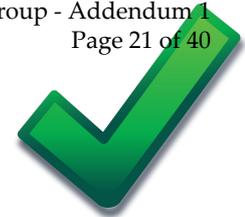

Why now? What has changed?

- Nothing's changed – our needs were never met.
- We want to solve this as a community
- More dog population in the Jollyman neighborhood
- Legislation passed in 2014
- Mary Park is a toxic area and not safe.
- Population increased, and accordingly more dog population
- Neighboring cities have adopted these programs successfully
- We have a Parks and Rec director who has successfully implemented unfenced off leash dog areas

Where has our journey taken us?

- This presentation was given to the Cupertino Parks and Rec Commission on February 1, 2018
- Between June 29 and July 22, 2018¹, the Parks and Rec department conducted a “[Jollyman Park: Unfenced Dog Off-leash Area \(DOLA\) Trial Survey](#)”
 - The survey had 304 respondents. More than 75% of the respondents live within 1 mile of Jollyman park
- In response to the question “Based upon your knowledge of park use and this proposal, do you support establishing the dog off-leash area on a trial basis at Jollyman Park as proposed?” more than 72% of respondents said yes.
- The Parks and Recs director presented his recommendation to the Parks and Rec Commission on October 4, 2018. The plan for an off leash trial was unanimously [recommended for approval](#).

[1] The survey was announced on the [Cupertino city web site](#) and on the social media site [NextDoor](#)
Survey link: https://www.opentownhall.com/portals/294/Issue_6470?cookies=detect&noembed=1

Registered Survey Respondents (138):

97.8% of respondents lived within the City of Cupertino

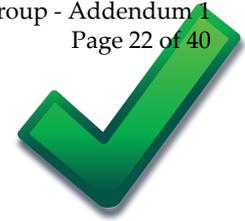

73.9% owned a dog. 59% of those dogs were 24 inches or shorter.

74% of respondents lived within ½ mile of the park.

65% of respondents would use the dog off leash area

77.5% think the location is good while 76.6% believe the time the DOLA is available is good.

76.8% of registered respondents supported the trial dog off leash area.

Unregistered Survey Respondents (166):

97.0% of respondents lived within the City of Cupertino

61.2% owned a dog. 59% of those dogs were 24 inches or shorter

50.6% of respondents live within ½ mile of the park

52.7% of respondents would use the dog off leash area

71.2% think the location is good while 64.6% believe the time the DOLA is available is good.

70.0% of unregistered respondents supported the trial dog off leash area.

Next Steps

- We request the Cupertino City Council to review the issue and help us take the next steps on an off leash trial at Jollyman Park.
- Approve an off leash area trial for 6 months at Jollyman Park
- Empower the Parks and Rec Department to initiate the trial

Appendix

- A. Number of Dogs in Cupertino
- B. Sample comments from the petition
- C. Mary Avenue Dog Park
- D. Mountain View city code
- E. Portland's experience
- F. Liability
- G. Press

A. Number of dogs in Cupertino

- ~60,000 residents (from worldpopulationreview.com)
- ~20,000 households in Cupertino (from suburbanstats.org)
- ~7300 households with dogs, and **~11,680 total dogs in Cupertino**
 - Based on [dog population estimation formula](#) from the American Veterinary Medical Association
 - $20,000 \text{ households} * 0.365 \text{ households w dogs / household} = 7,300 \text{ households w dogs}$
 - $20,000 \text{ households} * 0.584 \text{ dogs / household} = 11,680 \text{ dogs}$
 - Source: [2012 U.S. Pet Ownership & Demographics Sourcebook](#)
 - ASPCA [figures for pet ownership](#) are higher at 44% of households owning at least one dog.
 - A [Gallup poll on pet ownership](#) cites a similar 44% dog ownership figure.

B. Sample comments from the petition

- *It is important for Tycho to play with other dogs freely because play is an integral part of his life. As a responsible pet owner I want to provide this among other things for my dog so that he is healthy and happy and well socialized and does not become unhealthy and a nuisance to anyone. It also creates a wonderful community of dog lovers and a support system for us.*
- *Dogs just like people deserves space to release energy and enjoy life! Proof is dogs that are exercised are healthier happier pets. Being asked, a "few hours" a day for the dogs to be able to run.*
- *The dog (pet) community need a designated area for play and socializing. We have so many families in the area with dogs but unfortunately no proper place for the furry animals to play and mingle. All dogs are trained and well behaved so there is no worry of harm to public. Moreover the field side of Jollyman Park can be fenced for the dogs to stay inside. The dog park on Mary Ave, Sunnyvale is dirty, very small and unsafe. I'm not comfortable taking my dog there. Please approve this petition.*
- *My pet dog, Ivy, an important part of my life. Having an area for dogs near where I live will be a great way for her to enjoy the outdoors and also for the fellow dog owners to meet.*
- *Because our canine family members need a place to run and play near to home, it builds community and there is plenty of space in the park to allow this activity.*
- *I am a dog owner and its important to have accessible areas for my dog to socialize*
- *Cupertino is seriously lacking in places for dogs to socialize.*
- *There is very less dog parks in this neighborhood compared to number of dogs. It's impossible to have all these dogs in a small dog park in Mary avenue. We definitely need one more.*
- *Off leash time and socializing is very essential to dogs for their physical and mental health.*
- *Dogs need space and socialization. Dog parks provide that and give opportunities for people to socialize, as well. Makes for a good community, in my opinion.*
- *A well socialized and exercised dog is a happy dog! Allow responsible pet owners and friendly dogs to enjoy each other's company!*
- *Sharing the community of off leash dogs is good for humans and canines*

B. Sample comments from the petition

- *I am a senior with 2 dogs. I have lived in the Bay Area all of my life and in Cupertino for 40+ years. Besides the important requirement for dog exercise that allows them to RUN and socialization, there is the fairness issue of equal access to City services. I pay all my taxes and have voted for all local and state bond initiatives for schools and other governmental services that have a favorable benefit for Cupertino and CA. I do not have children and was not educated and raised in Cupertino and therefore did not receive those benefits which come with living in Cupertino. Even so, I always voted for all the bond initiatives that would make Cupertino a better city. I should have equal access to all local parks as do other people. Most cities now allow unleashed dogs in parks in the early morning and then later in the early evening before sunset. This is equal access! As regards damage to the park, more maintenance is required to active sports (soccer, rugby, football, etc.) which rip up the grass and required new turf. These sports are loud and impact the neighborhood - no doubt more often and louder than barking dogs. Many of these sports participants also leave refuse that is then required to be picked up. I tried the Cupertino and Sunnyvale dog parks. These are not my local parks and require that I drive there as opposed to walking with my rollator to Jollyman-my neighborhood park. I have medical issues. Because dog parks are very small, there were dogs that could have knocked me over. At Jollyman, which is much larger, I would never have these issues. It is long overdue and time to be fair and equitable and allow us to take our dogs to Jollyman during specific hours. The issues is NOT whether you like dogs nor not or whether you or your child participates in sports at Jollyman, or whether you enjoy any of these sports - this is a matter of FAIRNESS! Cupertino City Council please do the right and fair thing...*

C. Mary Avenue Dog Park

C. Mary Avenue Dog Park ratings

- The Mary Avenue Park gets [2.5 stars](#) on Yelp.
- In contrast, parks in Mountain View that are shared between off leash dog owners and others get high marks:
 - [4.5 stars for Cuesta Park](#)
 - [4 stars for Eagle Park](#)
 - [4 stars for Whisman Park](#)

C. Size

The Mary Avenue Dog Park area for large dogs is about 7500 sq ft, compared to the 26,400 sq ft we are asking for.

The size of the park is too small for large dogs to run

There are no restrooms in the area

C. Cleanliness

The park is mostly dirt and bark. Dogs and their toys get dirty very quickly.

If it rains, the park is too muddy to use.

Some vets have seen dogs get allergies from the dust in the park.

C. Cleanliness

The gorilla bark used in the Mary Ave park collects dirt. Dog toys landing in this area are encrusted in dirt and fuzz, making it dangerous for dogs' teeth.

D. Mountain View City Code SEC. 5.61. - Dogs in posted off-leash areas.

The exemption from the requirements for the restraint of dogs as set forth in [Sec. 5.50](#) shall apply only if all of the following conditions are met:

- (a) No dog shall be in a posted off-leash area except when in the charge, care, custody or control of a person at least thirteen (13) years of age.
- (b) No animals other than dogs shall be in any posted off-leash area. Dogs are only permitted in the posted off-leash area during posted hours of operation.
- (c) No person shall have more than two (2) dogs in a posted off-leash area at any one time.
- (d) Any dog in a posted off-leash area must be at least four (4) months of age, vaccinated for rabies, and currently licensed by the city's animal services division or other jurisdiction. All persons entering the posted off-leash area are responsible for ensuring their dog is not sick, in heat, injured, less than four (4) months of age, or displaying aggressive behavior toward other dogs or humans in the posted off-leash area.

(e) Any person having charge, care, custody or control of a dog in a posted off-leash area shall:

- (1) Carry at all times a suitable container or other suitable instrument for the removal and disposal of dog feces;
- (2) Promptly remove and properly dispose of any waste deposited by the dog;
- (3) Quiet or remove the dog if it disrupts or disturbs the reasonable and comfortable use of the area;
- (4) Have in his/her possession a leash for such dog that shall be worn by the dog, and physically held by the owner, at all times the dog is not in the posted off-leash area; and
- (5) Comply with all other applicable state and local laws, including without limitation those that govern the health, safety and maintenance of dogs.

Compliance with this section shall not relieve any person of liability for damages arising out of his/her use of a posted off-leash area.

E. Portland

- Portland has allowed off leash dogs since 1995 (see Background section of their 2004 [report](#)).
- Portland has 10x the population of Cupertino, 10 off leash fenced areas, and 24+ off leash dog areas (see <https://www.portlandoregon.gov/parks/39523>)
- City of Portland [Off-Leash Program Evaluation & Recommendations Report to Council](#)

E. Portland Off Leash Dog Groups' Goals and Basic Assumptions

- Goal
 - Provide a range of on-leash and off-leash opportunities to accommodate the varying needs of dogs and their owners, while not unduly compromising the basic needs of other park Users.
- Assumptions
 - Recreating with a dog is a legitimate park use.
 - Conflict is inevitable.
 - It is the responsibility of park managers to design and manage parks in a way that minimizes conflict.
 - Park users also have a responsibility to help minimize user conflicts by demonstrating mutual respect and abiding by park rules.

E. Portland

[Notes](#) from their advisory group meeting in 2010:

- IV. What is working?
 - Ali said that most users are generally happy and using off-leash areas respectfully. Many people are involved with their local off-leash area and want to know about work parties, stewardship groups and how to be more involved. These people are willing to put a great deal of effort, time and fundraising into keeping off-leash areas desirable places to take their dogs and encouraging responsible off-leash use. Most of the off-leash areas are in good condition. Amenities and infrastructure are okay, with the most significant damage being to ground cover.
- Group input included:
 - Off-leash areas are working well overall
 - Self enforcement does work as does random enforcement (Rangers and Animal Control)
 - Off-leash areas create a sense of community
 - There are a lot of very responsible users

E. Portland notes from 2010 continued

- V. What do we need to work on?
- Ali said that PP&R hears from many community members on what's not working. The Bureau also has a good idea of what's not working from site visits and staff observation and feedback. She handed out a list of most commonly heard questions/topics, which included:
 - Improvements on condition/amenities (muddy, wet, trashcans, bark chips, fencing, generating the money to support these efforts)
 - Changes to off-leash areas (longer hours, shorter hours, adding new off-leash areas)
 - Enforcement (too little enforcement, or too much enforcement)
 - Education (encouraging people to use off-leash areas)
 - Stewardship (creating ways for people to get involved)
 - Revenue (tapping into sponsorships, events and classes)

F. Liability: Assembly Bill No. 265 , CHAPTER 74

An act to add Section 831.7.5 to the Government Code, relating to local government liability.

[Approved by Governor August 12, 2013. Filed with Secretary of State August 12, 2013.]

LEGISLATIVE COUNSEL'S DIGEST

AB 265, Gatto. Local government liability: dog parks.

Existing law governs the tort liability and immunity of, and claims and actions against, a public entity, including, but not limited to, a city, county, city and county, district, and any other political subdivision. Existing law makes the owner of any dog civilly liable for the damages suffered by any person who is bitten by the dog while in a public place or lawfully in a private place, as specified, regardless of the former viciousness of the dog or the owner's knowledge of such viciousness.

This bill would provide that a public entity, as defined, that owns or operates a dog park shall not be held liable for an injury or death of a person or pet resulting solely from the actions of a dog in the dog park.

DIGEST KEY

Vote: majority Appropriation: no Fiscal Committee: no Local Program: no

BILL TEXT

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 831.7.5 is added to the Government Code, to read:

831.7.5. (a) A public entity that owns or operates a dog park shall not be held liable for injury or death of a person or pet resulting solely from the actions of a dog in the dog park.

(b) This section shall not be construed to affect the liability of a public entity that exists under the law.

(c) "Public entity" has the same meaning as Section 811.2, and includes, but is not limited to, cities, counties, cities and counties, and special districts.

(Bill Text - AB-265 Local government liability: Dogs

Update from the
Discretionary Fund
subcommittee

The Cupertino Parks and Recreation Commission Invites you to participate in the

Cupertino Labyrinth Quest

De-stress while you, your family and friends enjoy a peaceful stroll around one or both of Cupertino's hidden labyrinths.

Where: Labyrinth 1 – McClellan Ranch Preserve (22221 McClellan Road) near the additional parking area
Look for signs to the trail leading from the back of the McClellan Ranch Preserve additional parking area

Labyrinth 2 – Creekside Park (10455 Miller Avenue)

At the back of the picnic area behind the clubhouse and play area

After visiting one or both of the labyrinths, email a picture of yourself, your family, or a friend at the labyrinth and be entered into a drawing to win one of ten \$10 gift certificates for a local Cupertino coffee or tea shop.

Email your name and photo to CupParksRecCommission@gmail.com by 11:59pm on Sunday, October 31, 2021. Winners will be notified by email by November 15, 2021.

Additionally, visit tinyurl.com/CupLabyrinthQuest to provide your feedback about the labyrinth and Cupertino Parks and Recreation programs and amenities to the Cupertino Parks and Recreation Commission.
