Subject: Appointment to VTA BPAC for the 2026-2028 Term

Dear Tina Kapoor:

This is to request that the City of Cupertino appoint its representative to VTA's Bicycle & Pedestrian Advisory Committee (BPAC) for the two-year term.

The BPAC is a 16-member committee that advises VTA's Board of Directors on planning and funding issues for bicycle and pedestrian projects in the county. As a VTA Member Agency, the City of Cupertino has one voting position on this committee.

The BPAC bylaws specify that each Member Agency appoints one individual as a representative of its local bicycle advisory committee. Member Agencies that do not have such a committee may appoint an individual interested in bicycle or pedestrian issues. BPAC Members are appointed for a two-year term that ends on June 30 of even-numbered years and may be re-appointed to multiple and consecutive terms. Members must live and/or work in Santa Clara County during their term, and cannot be staff of either VTA or the Member Agency they represent. All BPAC appointments require ratification by the VTA Finance, Audit, and Administration Committee. A copy of the BPAC bylaws is attached for your convenience.

The term of the City of Cupertino's current BPAC representative, Hervé Marcy, expires on 6/30/2026.

We request the City of Cupertino initiate the action necessary to either reappoint Hervé Marcy or appoint another representative for the two-year term that begins on July 1, 2026. As a reminder, the appointing authority may remove or replace its BPAC representative anytime during the term, subject to the replacement appointee meeting the stated eligibility requirements and ratification by the VTA Finance, Audit, and Administration Committee.

When the City of Cupertino has selected its appointee, please notify VTA in writing indicating your appointee's name, full address and contact information. If appointing a new member, the memo should also include the appointee's daytime telephone number, email address, and a brief
