CALIFORNIA STATE BUDGET, SECTION 19.56(F)(1)(B) - \$850,000 TO THE
CITY OF CUPERTINO FOR THE McCLELLAN ROAD BRIDGE
RECONSTRUCTION PROJECT**

WHEREAS, the California Department of Transportation has been delegated the responsibility by the Legislature of the State of California for the administration of an \$850,000 grant to the City of Cupertino for McClellan Road Bridge Reconstruction, and has established the necessary procedures governing the transfer of funds; and

WHEREAS, said procedures established by the California Department of Transportation require the applicant's governing body to authorize by resolution the execution of a Funds Transfer Agreement; and

WHEREAS, the Funds Transfer Agreement must be executed with the California Department of Transportation before such funds can be claimed; and

WHEREAS, the City of Cupertino wishes to delegate the authority to execute the Funds Transfer Agreement and any amendments thereto and to take all necessary steps to accept the grant funds and delegate that authority to the City Manager; and

BE IT FURTHER RESOLVED that this Resolution is not a project under the requirements of the California Environmental Quality Act, together with related State CEQA Guidelines (collectively, "CEQA") because it has no potential for resulting in physical change in the environment. certainty to have no possibility that the action approved may have a significant effect on the environment. CEQA applies only to actions which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. In this circumstance, the proposed action of executing an agreement to accept grant funds would have no or only a de minimis effect on the environment. The foregoing determination is made by the City Council in its independent judgment.
