Meeting: June 16, 2026

Reporting Councilmember: Councilmember J.R. Fruen

Report Dates: 5/26/26 to 6/8/26

Item Date, Title, and Description:

Event 1. May 26, 2026 – **Walk ‘n’ Roll to School Day** – At the invitation of Lincoln Elementary School—my first CUSD school as a student in the 1980s—I participated in the Walk ‘n’ Roll to School Day appreciation activity. Representatives from the school administration and Safe Routes to School joined in to distribute awards stickers of the students’ own design and biking safety lights to students who walked or biked to school that day.

Event 2. May 28, 2026 – **Cities Association of Santa Clara County Executive Committee Meeting**– I attended this meeting of the Executive Committee in advance of the Cities Association’s annual June membership event and to discuss the recruitment of a new Executive Director.

Event 3. May 29, 2026 – **Meeting with Representatives of SummerHill Homes** – I met with representatives of SummerHill homes with regard to their Bandlely Avenue project application.

Event 4. June 1, 2026 – **Meeting with the City Manager** – I met with City Manager Tina Kapoor to go over upcoming council agenda items, items of interest, and issues raised by residents.

Event 6. June 2, 2026 – **Meeting with Representatives of SummerHill Homes** – I met with representatives of SummerHill homes with regard to their Bandlely Drive project application.

Event 7. June 4, 2026 – **Groundbreaking Ceremony for 20840 Stevens Creek Boulevard** – Together with Mayor Moore and members of the Planning Commission, I participated in the groundbreaking ceremony for a new townhome development replacing the long-empty Fontana’s and Pizza Hut restaurant sites and the recently closed Staples location on Stevens Creek Boulevard. The project will provide homes for 59 families. Project details are available on the city’s website [here](#).

Event 8. June 4, 2026 – **Santa Clara County Library District JPA Board Meeting** – I attended this meeting in my capacity as Cupertino’s representative to the SCCLD. The Board adopted its budget for the upcoming fiscal year. The SCCLD boasts very healthy reserves, including \$26 million in undesignated funds. Even after accounting for a potential ERAF payment to the County of \$16 million, the SCCLD will still have at least \$10 million in undesignated reserves, nearly a million of which will be apportioned to the Cupertino Library as part of a decade-old harmonization agreement accounting for the Cupertino Library’s extraordinarily high utilization rate. Meeting materials are available [here](#).

Event 9. June 6, 2026 – **Cupertino Little League Closing Ceremony** – Together with Mayor Moore, Councilmember Mohan, and Assemblymember Ahrens, I joined the Cupertino Little League for their season-closing awards and recognition ceremony. It was a bright and cheery day with much for the League to celebrate.

Event 10. June 6, 2026 – **Meeting with the City Manager** – I met with City Manager Tina Kapoor to go over upcoming council agenda items, items of interest, and issues raised by residents.
