

CITY OF
CUPERTINO

BLOCK LEADER PROGRAM

Block Leaders are engaged Cupertino residents who go the extra mile to connect neighbors and build community--helping our neighborhoods be safer, healthier, and more resilient.

The Block Leader program helps residents learn how to get to know their neighbors and organize activities so neighbors can more easily communicate. Block Leaders receive updates on neighborhood activities and services and are vital links between City Hall and the neighborhoods.

CUPERTINO

NEIGHBORHOOD WATCH

The City of Cupertino offers the Neighborhood Watch program with the Santa Clara County Sheriff's Office.

Neighborhood Watch is a crime prevention initiative that engages residents and law enforcement to reduce crime. It involves:

- Neighbors collaborating and assisting each other.
- Training citizens to identify and report suspicious activities.
- Implementing crime prevention methods like home security.

Building familiarity among neighbors fosters a safer community.
