Dear Captain Rich Urena:

As a resident of the city of Cupertino and your constituent, I ask that you oppose the draft ordinance that seeks to amend the City's municipal code as it relates to firearms.

Over the years California has made its firearm laws stricter and stricter under the guise of safety and reducing gun violence. Those laws have yet to make California safer and similarly will not make the city of Cupertino safer.

I urge you to oppose this draft proposal and instead focus on criminals and enforcing the current laws, not placing further restrictions on law-abiding citizens.

Sincerely,  
jon smith

Dear Captain Rich Urena:

As a resident of the city of Pacifica in San Mateo County, I ask that you oppose the draft ordinance that seeks to amend the City's municipal code as it relates to firearms. Let's not continue a trend to think that creating more laws restricting gun ownership and use by law abiding citizens will somehow make us all safe. Criminals that do not follow current laws, will not follow any new law your create. New restrictive laws only affect law abiding citizens.

Over the years California has made its firearm laws stricter and stricter under the guise of safety and reducing gun violence. Those laws have yet to make California safer and similarly will not make the city of Cupertino safer.

As a resident of the town of Nipomo here in California, I ask that you oppose the draft ordinance that seeks to amend the City's municipal code as it relates to firearms.

Over the years California has made its firearm laws stricter and stricter under the guise of safety and reducing gun violence. Those laws have yet to make California safer and similarly will not make the city of Cupertino safer. It will only make the citizens of your city victims to those that don't follow the law. Why don't you trust those that put you in office. They're the one's that need your support. Arizona trust it's citizens and a state trooper is alive because of that trust. Unfortunately, if it happened in your city, your officer would not have the same protection from your law abiding citizens.

I urge you to oppose this draft proposal and instead focus on criminals and enforcing the current laws, not placing further restrictions on those who put their trust and safety in your hands. .

Dear Captain Rich Urena:

As a resident of the city of Cupertino and your constituent, I ask that you oppose the draft ordinance that seeks to amend the City's municipal code as it relates to firearms.

Over the years California has made its firearm laws stricter and stricter under the guise of safety and reducing gun violence. Those laws have yet to make California safer and similarly will not make the city of Cupertino safer.

I urge you to oppose this draft proposal and instead focus on criminals and enforcing the current laws, not placing further restrictions on law-abiding citizens.

Sincerely,  
Corey Hargrave
