CTFC Accomplishments in Past Two Years (2017 – 2018)

Since the Cupertino-Taichung Friendship Cities (CTFC) Committee was established in November 2016, our committee members and volunteers of CTFC have made the following key accomplishments:

- **In Feb 2017, the elected CTFC president Catherine Lee, and board members visited the Cupertino Mayor Savita office, discussed on how to make the Friendship City work better and asked for support in future plans that would be beneficial to the two cities.**
- **In March 2017, a delegation of eight committee members of CTFC, accompanied by formal Cupertino City Mayor Hu visited Taichung City Mayor Lin, we presented CTFC year's working plan and introduced the Cupertino City to his staff. At the end of the meeting, Mayor Lin gracefully accepted the invitation to visit Cupertino in August.**
- **Establish the official connection between two cities governments: In August 2017, with the help from CTFC, the Taichung Mayor Lin and the delegation of 6 city officers made an official visit to the Cupertino government. They met with Cupertino Mayor Savita and council members in discussing on how to cooperate in the culture, business, education and technology exchanges. Later in the year, Council member Chang and his staff returned the visit to Taichung.**
- **Each of last two years, the Taichung Government sent a group of young artists to perform in the Kids N'Fun Festival. Prior to each event, the CTFC committee members and volunteers made a visit to Taichung and met with the City government officers to select a performing group, allocate the fund, and prepare logistics for their**

visit.

- **Video conference between high students from Cupertino and Taichung City - in October 2017, 12 students from Cupertino High and Lynbrook High met at Quinlan Center to have a video conference with the 15 students from Taichung Dali High school. The students talked about their daily activities in their school, lives in their cities and fun things to do. The students had learned a lot.**
- **Student exchange - This is a important program focused by CTFC education sub-committee. They visited the Cupertino Educational Board to find out the detailed requirements of an exchange program. Meet with Wei Hung, a Cupertino School District Committee Member to outline the step by step process for the student exchange program. Selected Dali High School in Taichung to be the School. The program is ready to go if the Friendship City Agreement is extended.**
- **We help to arrange the Little Horse baseball team from Taichung to play with a few the base ball teams from the South Bay with great success. They had a lot of fun.**
- **September 2018, in order promote the use of green energy for future government construction projects and Flora International Exhibition, the Taichung City Mayor proclaimed a so called “Taichung Declaration” which detailed on how to best utilize the green energy. Mayor Darcy Paul gracefully accepted as the co-signer and sign on the declaration after we made a visit to his office.**
