Subject: Reimbursement for Elected City Council Members to visit Sister City

Dear Mayor, Vice Mayor and City Council Members,

We are really sorry that we cannot make it to the city council meeting today. We have to attend a key Lord Jagannath Celebrations in the temple starting @6:00PM along with our community.

Though we wanted to express our strong support for expense reimbursement to only the elected city officials, who spend their valuable time and energy to represent us at the Sister City Meetings.

In our humble opinion - Any travel outside of the continental United States, within the State of California that requires airfare or an overnight stay must be reimbursed. Travel Expense reimbursement should include - registration, airfare, lodging, ground transportation, per diem, meals at actuals with a limit, parking and other travel related costs.

This will support us, the US citizens in positioning our Cupertino city in a better light with the sister cities.

Please feel free to let me know if you need any further information or clarifications.

Warm regards,
Mahesh
