New eCard Service

Library eCard

The Library eCard gives you access to our entire Online Library, available 24/7, including eBooks, audiobooks, downloadable movies, music, magazines, newspapers, international content, online learning, research and more. Completing the **eCard application form** now will provide you with free, instant access to a vast digital collection. eCards are available to all ages.

Library eCards are available to those residing in the Santa Clara County Library District, which is the Library's Service Area. If you do not reside in the District but do have a United States mailing address, a Full-Membership Library Card can be provided to you, free, during your next library visit.

Comparison Chart: Full Card vs. eCard

- Apply for a Library eCard **from home**. Library District residents gain an eCard **instantly**.
- Fill out the online **eCard Application** now, if you are not inside a library. If you are inside a library, please instead fill out the Full-Membership Card application, discussed in the above section.
- Optionally, convert your Library eCard to a Full-Membership Library Card at the Accounts Desk, during a visit to the library.
- An eCard gives you instant, full, free access to the Library's Online Library services, including eBooks, streaming movies, and more.
- See below for more information about card types.

Arvind Krishna will formally become IBM's CEO on April 6. PHOTO: Andy Davis/ProductionManager for

In his 30 years at International Business Machines Corp., incoming Chief Executive Arvind Krishna has corporate turnarounds and, more recently, what doesn't.

Mr. Krishna, 57 years old, is only the 10th chief executive in IBM's 108-year history. He takes over a company transition for almost the entirety of his predecessor Ginni Rometty's eight-year run in the job.

- January 26, 2020

The Mercury News is California's oldest continually published newspaper, dating back to 1851. The paper is recipient of the Pulitzer Prize for international reporting, with its business and technology coverage honored as "Best in Business" by the Society of American Business Writers and Editors. The Mercury News covers the southern San Francisco Bay area of Northern California, including Santa Clara County, San Mateo County, San Francisco County, Alameda County, Santa Cruz County, and other neighboring areas. The paper has covered all of the significant events in the area's history, from its rise as an agricultural center to the advent of the internet. The Mercury news provides local, national and international news coverage with particular emphasis on business coverage of the technology industries of Silicon Valley.

NEW YORK TIMES ONLINE, CURRENT ISSUES

The New York Times Online is available in three editions: English, Spanish and Mandarin Chinese. Headlines are updated throughout the day and readers have access to Times Video, which provides a variety of short videos on culture, entertainment, world news, science, and much more.

Instructions:

- **In Library access:** Sign-up or Login.
- **Off-site access:** Redeem and follow instructions to sign-up or login.

Checkout limit: 72 hours remote access. After 72 hours you can return to this page and redeem another access code.

A few limitations to be aware of:

- Mobile apps are available only for remote access. If you're connected to the Library's WiFi inside the library you will not be able to use the mobile app version.
- Articles from 1923-1980 are not available for in-library access. However, patrons can access 5 articles per day from this date range via off-site access.
- The archives for 1851-1922 and 1981 - present are unlimited.
- The Crosswords app is not included. However, crosswords from the past week, as well as a handful from the archive, are available in the Crosswords section.
- The Cooking app is not included, but patrons can access recipes via the Food section on nytimes.com.

Software

Graphics & Media

Adobe Dreamweaver: Use Dreamweaver to develop your own website from scratch. Build each webpage and style sheet exactly how you desire. Knowledge of basic HTML and CSS is needed.

Adobe Illustrator: Design logos, illustrations, graphs and charts, cartoons, and more with Illustrator. Create your own unique graphic designs and artwork for print and digital display.

Adobe Photoshop: Photoshop is a photo and image editing program with many tools. Crop and resize your pictures, change the colors, add some text, turn 2D into 3D, and more. A more advanced alternative to Microsoft Paint.

Camtasia: Video-editing software. Record your screen and audio, clip unwanted portions, add transitions and visual effects, and include closed captions. Publish your video to mp4 file format, YouTube, and more.

Microsoft Paint: A graphics editing program. Draw and paint in color and black-and-white. Crop and resize your images and graphics. A simpler alternative to Adobe Photoshop.

More Graphics & Media Tools:

- Adobe Animate
- Adobe Muse
- Adobe Premiere Pro
- CyberLink Media Suite
- Microsoft Visual Studio and Blend for Visual Studio
- Windows Media Player

Business & Office

Adobe InDesign: Create and design documents for print and digital media. Make a single page flyer or folding pamphlet, a poster or magazine spread, or even an interactive PDF. An alternative to Microsoft Publisher.

Microsoft Excel: Create and edit spreadsheets.

Microsoft PowerPoint: Use PowerPoint to make your own presentation. Add text, images, and animations to slides, and record your voice. You can also turn your slideshow into a video.

Microsoft Publisher: Create, design, and edit image-based documents for print and digital publishing. An alternative to Adobe InDesign.

Microsoft Word: Create and edit text-based documents.

Gilroy Library: Community Room

Gilroy Library provides a **Community Room** for educational, cultural, intellectual, civic, or charitable activities and community events. Programs must be free and open to the public. The Community Room may be booked by organizations of 10-100 people. Reservations may be made once a month per group, and may be made up to 90 days in advance.

Available for use in the room: 60 stackable chairs, 10 folding tables, dry erase board, sink, podium, projection screen (screen only / no projector use), and wireless Internet access.

The individual reserving the room must read and adhere to the Santa Clara County Library District's Community Room Policy, as well as the Gilroy Library's room usage information. The group must comply with these terms and conditions and understand that failure to follow them will result in loss of permission to use the room. If library equipment or property is damaged during this use, damages or replacement costs will be assessed.

Hours and Fee:

There is a non-refundable fee per booking: \$25 for four (4) or fewer hours or \$50 for more than four (4) hours; payment to be made within seven (7) days of receiving approval of the reservation. If the reservation is within seven (7) days of use, payment must be made prior to room use. Failure to comply may result in cancellation of the reservation.

Room reservation system hosted by [SpringShare](#).

Item #9

Presentation on 2020 Census

EVERYONE COUNTS | County of Santa Clara

2020 CENSUS

County of Santa Clara

1

CENSUS OVERVIEW

2

Why do we need a census?

- Article 1, Section 2 of the US Constitution

The actual Enumeration shall be made within three Years after the first meeting of the Congress of the United States, and within every subsequent Term of ten Years, in such manner as they shall by law direct.
- Key Purpose is Apportioning the US House of Representatives

3

Why Census Matters

Funding

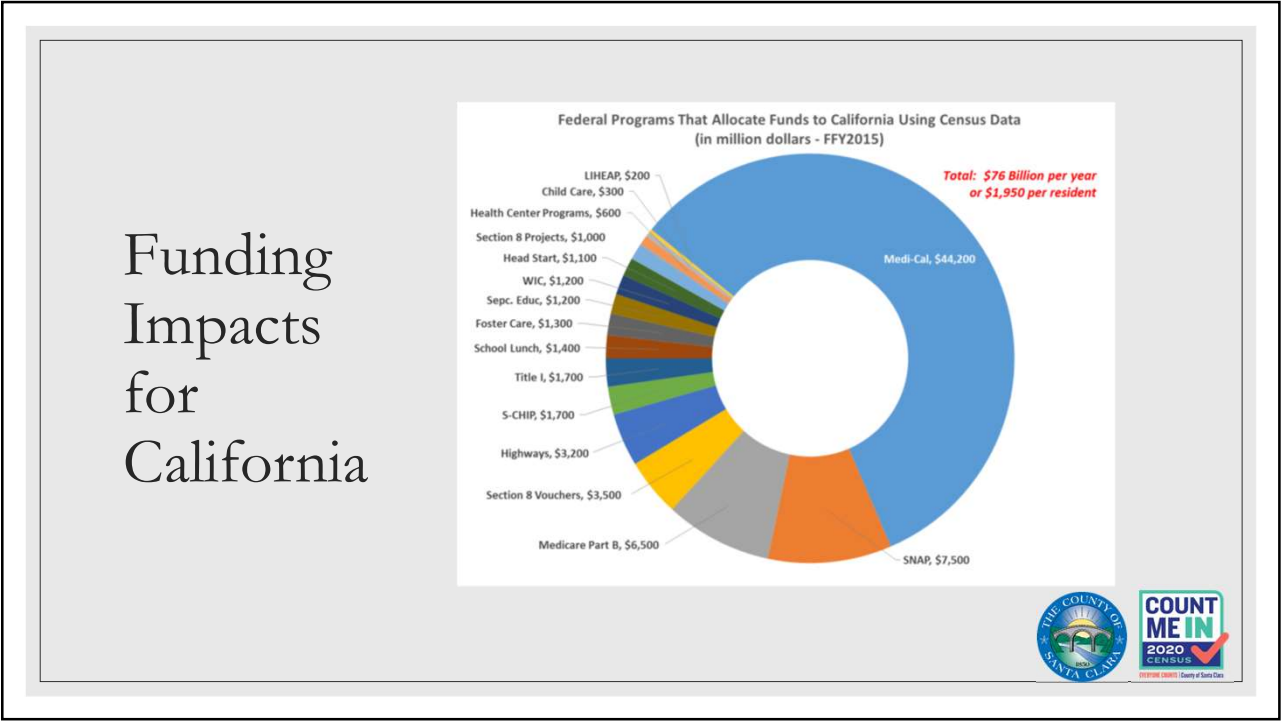

- \$675 Billion distributed annually
- Of that, California receives over \$76 billion
- Funding is distributed based on Census data

Political Power

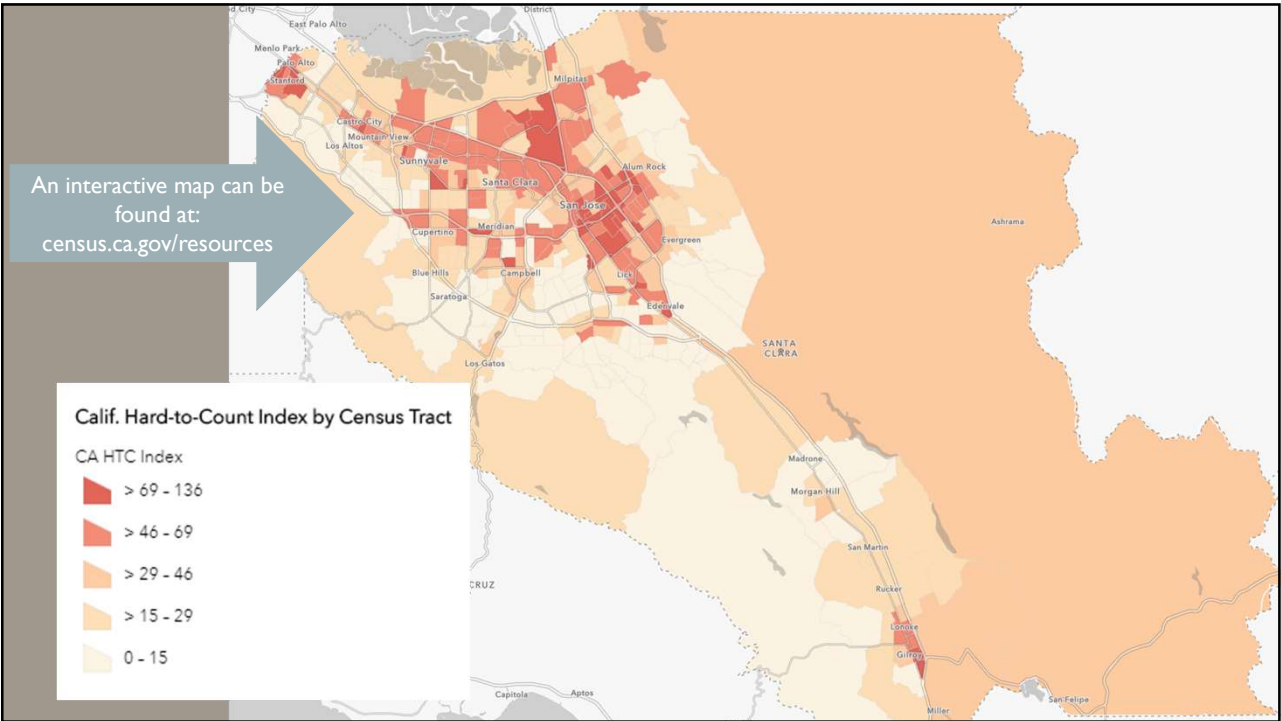

- Congressional representation
- Reapportionment and redistricting

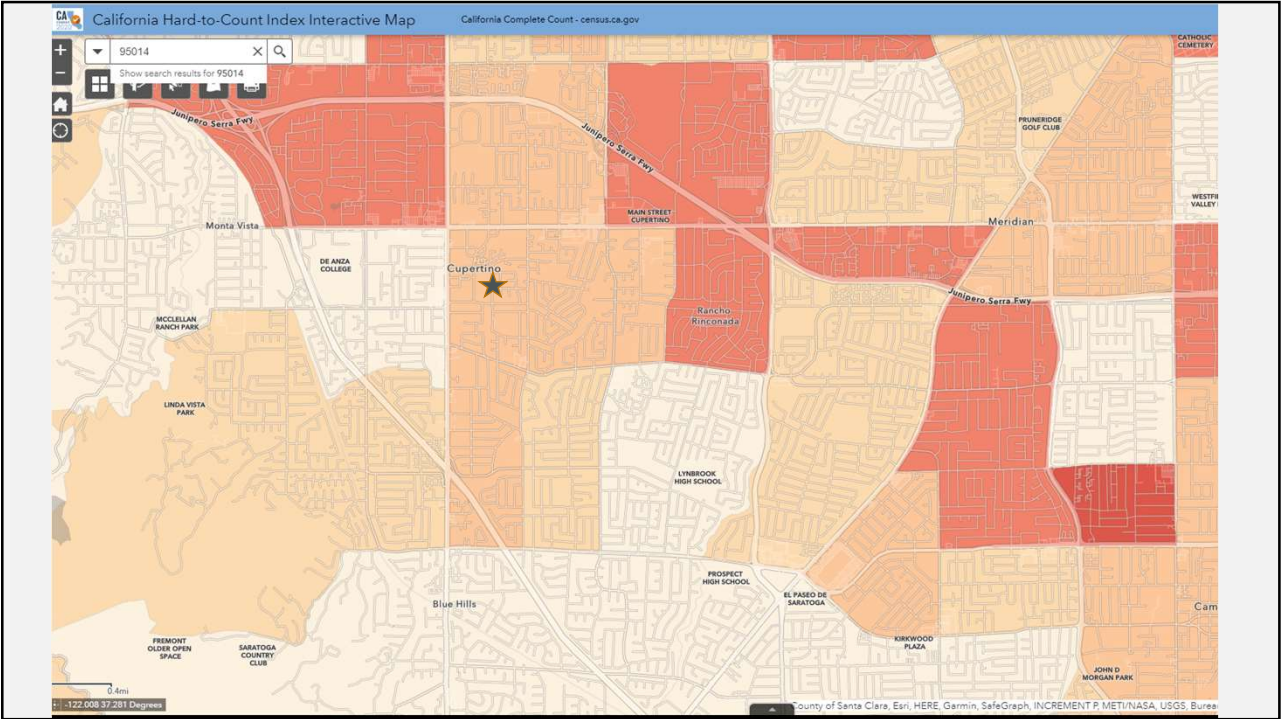

4

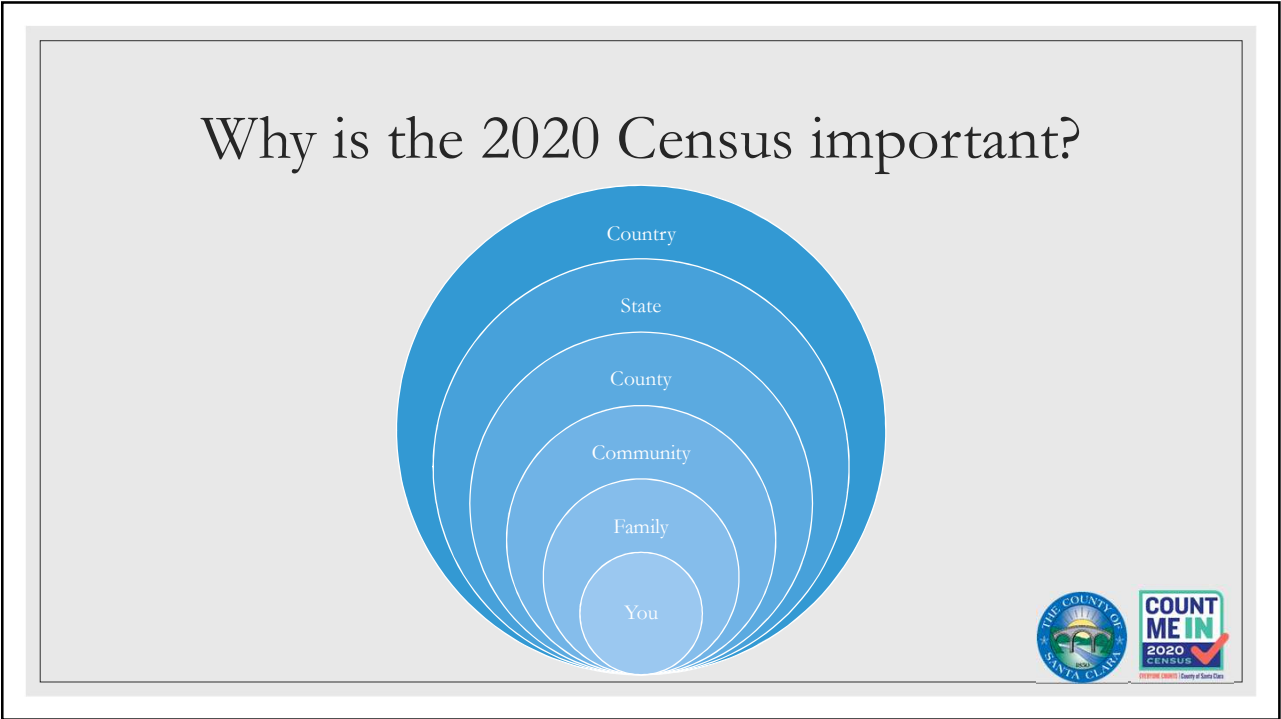

5

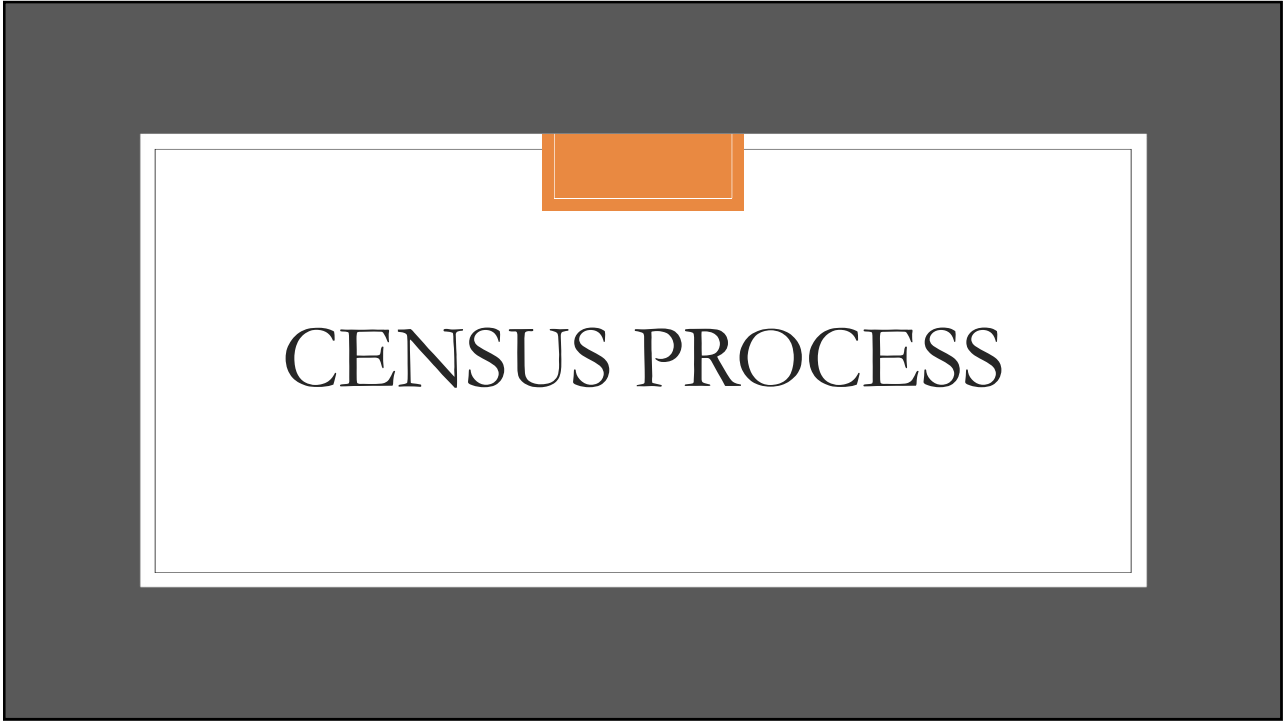

6

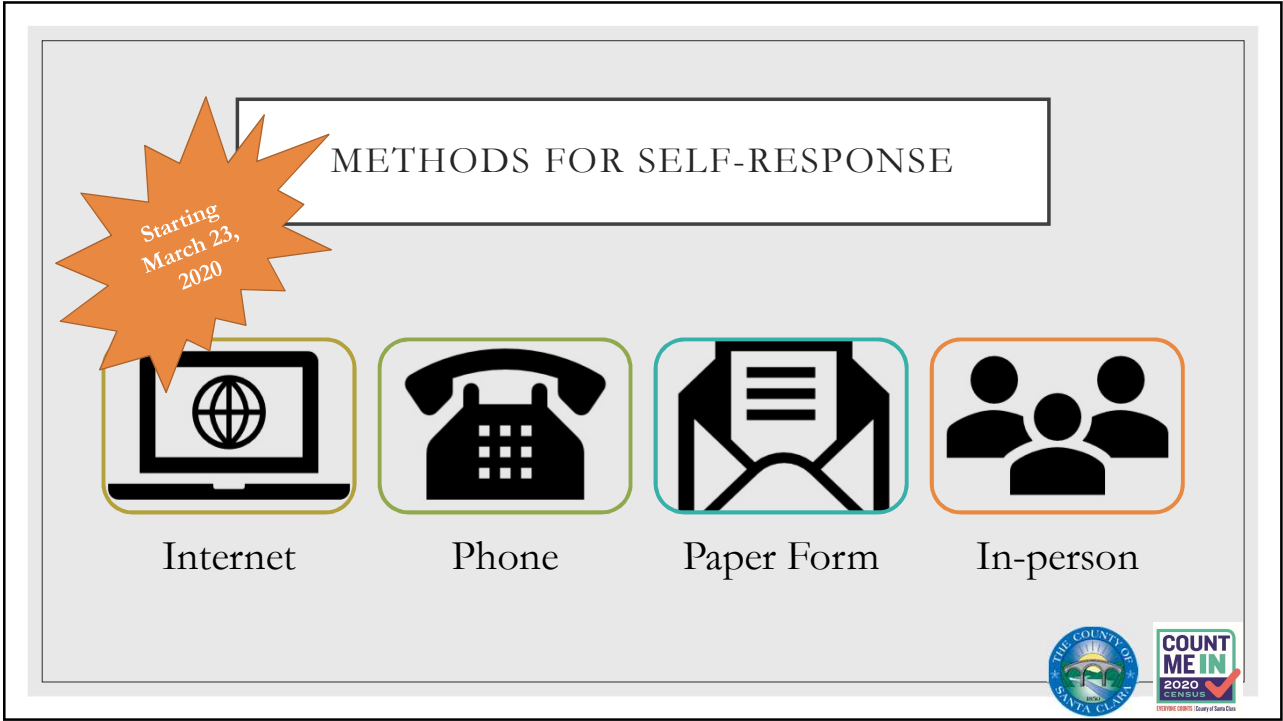

7

8

9

10

Library Census Activities
