# De Anza/McClellan Intersection

The image displays two sheets of a civil engineering plan view for Pacific Drive. The top sheet shows the main alignment with stationing from 14+00 to 18+00, including property lines, easements, and a north arrow. The bottom sheet shows a continuation of the alignment with stationing from 18+00 to 22+00, featuring detailed cross-sections, easements, and a north arrow. The drawings include various annotations for easements, setbacks, and property boundaries.

## Project Information

- Anticipated construction start date Aug 3
- 3-month construction duration
- Estimated cost \$1.5M
