SENIOR RESOURCE COLLECTION

With collaborative support and generous funding from the Cupertino Library Foundation, Cupertino Library has created a **Senior Resource Collection** to better serve Cupertino's older adult population. Based on the **Age Friendly Cupertino Task Force August 2019 report**, older adults are the fastest growing age group in the community and will reach well over 10,000 (17.5%) by 2025.

This special browsing collection of books and community resource information reflects the needs and common concerns seniors face everyday, like making important health and long-term care decisions, estate planning and financial security, mental wellness and isolation, positive aging and living well, physical and cognitive fitness and more.

The **Senior Resource Collection** is located near the Teen Zone on the second floor of the library.

2022 Distinguished Authors Series Lineup

The coming of fall brings many great things, including the Santa Clara County Library District's Distinguished Author Series. This is the third year the event has taken place, and to mark the occasion we have a trio of authors who will be appearing in person at local community venues to talk about their works. Topics range from the future of tech, the connections between health, food and agriculture, and the fantastical and sometimes frightening world of fiction.

Emily Chang is a television anchor and author. Her book, *Brotopia: Breaking Up the Boys' Club of Silicon Valley*, sheds a bright, objective and journalistic light on the issue of gender gaps in Silicon Valley. **Silvia Moreno-Garcia** is an editor and bestselling author who has been awarded the Locus and British Fantasy awards. Her works include *Velvet Was the Night*, *Gods of Jade and Shadow*, *Mexican Gothic* and the recently released *The Daughter of Doctor Moreau*. **Dr. Daphne Miller** is a family physician, science writer, and clinical professor. She has written two books: *The Jungle Effect: The Science and Wisdom of Traditional Diets* and *Farmacology: Total Health from the Soil Up*.

- **Emily Chang:** 7-8 pm Wed. Sep. 14, Campbell Heritage Theater, 1 W. Campbell Ave, Campbell, CA 95008
