Dear BPC Commissioners and Mr. Stillman,

On behalf of Bike Sunnyvale, I'd like to thank you for hearing our concerns about the Kennewick Bike Route and for supporting improvements along the route. We appreciate your effort to prioritize student safety on that segment of Homestead Road. With jurisdictions like Cupertino as partners in this endeavor, I am optimistic that we will see improvements in a realistic timeframe.

As an aside, I'm impressed with how effective the Cupertino BPC is! The roomful of public commenters and the cogent discussions among staff and commissioners were inspiring to see.
